

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Maria Shilov
DOCKET NO.: 17-02261.001-R-1
PARCEL NO.: 16-34-406-008

The parties of record before the Property Tax Appeal Board are Maria Shilov, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$79,273
IMPR.: \$73,594
TOTAL: \$152,867

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of brick construction with 2,226 square feet of living area. The dwelling was constructed in 1949. Features of the home include a partial unfinished basement, a fireplace and a 432 square foot garage. The property has a 25,076 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales with varying degrees of similarity to the subject. The comparables sold from March to August 2015 for prices ranging from \$322,000 to \$516,535 or from \$163.78 to \$184.95 per square foot of living area, including land.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$158,686. The subject's assessment reflects a market value of

\$478,691 or \$215.05 per square foot of living area, land included, when using the 2017 three-year average median level of assessment for Lake County of 33.15% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales with varying degrees of similarity to the subject. The comparables sold from March 2016 to February 2017 for prices ranging from \$349,000 to \$360,500 or from \$191.47 to \$203.90 per square foot of living area, including land.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the evidence indicates a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be board of review comparable sales #1 and #3. These most similar comparables sold for prices of \$203.90 and \$191.47 per square foot of living area, respectively, including land. The subject's assessment reflects a market value of \$215.05 per square foot of living area, including land, which is above the range established by the best comparable sales in this record. The Board finds the subject is superior to the best sales in this record based on its improvement size, exterior and/or lot size. Less weight was given the parties' remaining comparables based on their dissimilar finished basement, lot size, location, age and/or the date of sale was too remote from the January 1, 2017 assessment date to be reflective of the subject's market value as of the assessment date at issue when other comparable sales more proximate to the date in question appear in the record. Based on this evidence the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
