

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ronald Kozil
DOCKET NO.: 17-02276.001-R-1
PARCEL NO.: 16-31-111-011

The parties of record before the Property Tax Appeal Board are Ronald Kozil, the appellant, by attorney Ronald Kingsley of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$82,747
IMPR.: \$148,410
TOTAL: \$231,157

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling with wood siding exterior construction containing 2,819 square feet of living area. The dwelling was built in 1994. Features of the home include an unfinished basement, central air conditioning, and an attached two-car garage with 500 square feet of building area. The property is located in Riverwoods, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on six comparable sales improved with two-story dwellings with wood siding exteriors that range in size from 2,708 to 2,991 square feet of living area. The homes were constructed from 1994 to 1999. Each comparable has a basement with two having finished area, central air conditioning, and an attached garage ranging in size from 500 to 650 square feet of building area. Five comparables each have one fireplace. These properties sold

from April 2016 to June 2017 for prices ranging from \$577,500 to \$710,000 or from \$213.26 to \$246.90 per square foot of living area, including land. The appellant requested the subject's assessment be reduced to \$217,511.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$231,157. The subject's assessment reflects a market value of \$697,306 or \$247.36 per square foot of living area, land included, when using the 2017 three-year average median level of assessment for Lake County of 33.15% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales improved with two-story dwellings with wood siding exteriors with either 2,708 or 2,819 square feet of living area. The dwellings were built in 1994. Each comparable has an unfinished basement, central air conditioning, one fireplace and an attached two-car or three-car garage with either 500 or 650 square feet of building area. The sales occurred from July 2015 to May 2017 for prices ranging from \$680,000 to \$696,000 or from \$246.90 to \$257.02 per square foot of living area, including land. The board of review requested the assessment be sustained.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains ten comparable sales submitted by the parties to support their respective positions. All the comparables are relatively similar to the subject in location, age, style, size and features with the exception three have finished basement area, unlike the subject's unfinished basement. The Board gives less weight to appellant's comparable sale #1, which appears to be an outlier with reference to the remaining sales in the record. The nine remaining comparables sold for prices ranging from \$637,500 to \$710,000 or from \$220.66 to \$257.02 per square foot of living area, including land. The subject's assessment reflects a market value of \$697,306 or \$247.36 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence the Board finds the assessment of the subject property is reflective of the property's market value and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
