

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mark Kreisman
DOCKET NO.: 17-02327.001-R-1
PARCEL NO.: 16-32-212-027

The parties of record before the Property Tax Appeal Board are Mark Kreisman, the appellant, by attorney Ronald Kingsley of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$48,178
IMPR.: \$212,531
TOTAL: \$260,709

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 2,716 square feet of living area. The dwelling was constructed in 2008. Features of the home include a full unfinished basement, central air conditioning, a fireplace and a 635 square foot garage. The property is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparable sales located between .34 and .85 of a mile of the subject property. The comparables consist of two-story dwellings of brick or wood siding exterior construction ranging in size from 3,096 to 3,228 square feet of living area. The dwellings were constructed in either 2005 or 2006. Each comparable features a basement, with two having finished area. The comparables each have central air conditioning, one fireplace and a garage ranging in size from 400 to 529 square feet of building area. The comparables sold

from April to December 2016 for prices ranging from \$692,000 to \$880,900 or from \$214.37 to \$284.53 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$260,709. The subject's assessment reflects a market value of \$786,452 or \$289.56 per square foot of living area, land included, when using the 2017 three-year average median level of assessment for Lake County of 33.15% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales located between .11 of a mile and 1.669 miles from the subject property. The comparables were improved with two-story dwellings of brick or wood siding exterior construction ranging in size from 2,632 to 3,086 square feet of living area. The dwellings were constructed from 2006 to 2011. The comparables each feature an unfinished basement, central air conditioning and a garage ranging in size from 440 to 652 square feet of building area. Three comparables have one or two fireplaces. The comparables sold from August 2015 to July 2017 for prices ranging from \$760,000 to \$943,000 or from \$255.89 to \$305.57 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The parties submitted seven suggested comparable sales for the Board's consideration. The board gave less weight to the appellant's comparables #1 and #2 due to their larger dwelling sizes when compared to the subject. The Board also gave less weight to board of review comparables #2, #3 and #4, which are less proximate in location to the subject being more than 1.26 miles away. Furthermore, board of review comparable #4 sold in 2015 which is dated and less likely to be indicative of the subject's market value as of the January 1, 2017 assessment date.

The Board finds the best evidence of market value to be the appellant's comparable #3 and board of review comparable #1. These two comparables are similar to the subject in location, dwelling size, design, age and features. The comparables sold in either May or August 2016 for prices of \$880,900 and \$943,000 or \$284.53 and \$305.57 per square foot of living area, including land. The subject's assessment reflects a market value of \$786,452 or \$289.56 per square foot of living area, land included, which is supported by the most similar comparable sales in this record. After considering adjustments to the comparable sales for differences when compared to the subject, the Board finds the estimated market value as reflected by the assessment is supported and no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
