

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joan Steltmann
DOCKET NO.: 17-02336.001-R-1
PARCEL NO.: 16-32-309-001

The parties of record before the Property Tax Appeal Board are Joan Steltmann, the appellant, by attorney Ronald Kingsley of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$56,286
IMPR.: \$124,995
TOTAL: \$181,281

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 2,353 square feet of living area. The dwelling was constructed in 1971. Features of the home include a full unfinished basement, central air conditioning, a fireplace and a 480 square foot garage. The property is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparable sales located in the same neighborhood as the subject and within .45 of a mile of the subject property. The comparables consist of two-story dwellings of brick or wood siding exterior construction ranging in size from 2,152 to 2,459 square feet of living area. The dwellings were constructed in either 1972 or 1974. The comparables each feature a basement, with one having finished area. Each comparable has central air conditioning, one fireplace and a garage ranging in size from 441 to 491 square feet of

building area. The comparables sold from March to June 2017 for prices ranging from \$475,000 to \$530,000 or from \$215.53 to \$220.72 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$181,281. The subject's assessment reflects a market value of \$546,851 or \$232.41 per square foot of living area, land included, when using the 2017 three-year average median level of assessment for Lake County of 33.15% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales located within .241 of a mile of the subject property, three of which are in the same neighborhood as the subject. The comparables were improved with two-story dwellings of brick exterior construction ranging in size from 2,320 to 2,546 square feet of living area. The dwellings were constructed from 1962 to 1975. The comparables each feature a basement, with one having finished area. Each comparable has central air conditioning and a garage ranging in size from 440 to 537 square feet of building area. Three comparables each have one fireplace. The comparables sold from August 2015 to December 2017 for prices ranging from \$545,000 to \$687,500 or from \$230.44 to \$270.03 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The parties submitted seven suggested comparable sales for the Board's consideration. The board gave less weight to the appellant's comparable #3 and board of review comparable #4 which have finished basements unlike the subject and/or are older in age when compared to the subject. The Board finds board of review comparable #1 has a sale date in 2015 which is dated and less likely to be indicative of the subject's market value as of January 1, 2017.

The Board finds the best evidence of market value to be the appellant's comparables #1 and #2, along with comparables #2 and #3 submitted by the board of review. These four comparables are similar to the subject in location, dwelling size, design, age and features. The comparables sold from February to July 2017 for prices ranging from \$508,000 to \$687,500 or from \$215.53 to \$270.03 per square foot of living area, including land. The subject's assessment reflects a market value of \$546,851 or \$232.41 per square foot of living area, land included, which falls within the range established by the best comparable sales in the record. After considering any necessary adjustments to the comparables for differences when compared to the subject, the Board finds the estimated market value as reflected by the assessment is supported and no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
