

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ken Keith  
DOCKET NO.: 17-02357.001-R-1  
PARCEL NO.: 15-06-402-019

The parties of record before the Property Tax Appeal Board are Ken Keith, the appellant, by attorney Ronald Kingsley of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$27,193  
**IMPR.:** \$111,532  
**TOTAL:** \$138,725

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,611 square feet of living area. The dwelling was constructed in 1989. Features of the home include an unfinished partial basement, central air conditioning, a fireplace and a 420 square foot garage. The property has a 10,181 square foot site and is located in Vernon Hills, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on six comparable sales located in the same neighborhood as the subject and within .57 of a mile of the subject property. The comparables have sites ranging in size from 7,524 to 12,025 and consist of two-story dwellings of wood siding exterior construction that range in size from 2,511 to 2,678 square feet of living area. The dwellings were constructed from 1989 to 1993. Each comparable features a basement, with three having

finished area, central air conditioning and a garage ranging in size from 400 to 497 square feet of building area. In addition, four comparables each have one fireplace. The comparables sold from March 2016 to May 2017 for prices ranging from \$325,000 to \$388,000 or from \$124.47 to \$145.86 per square foot of living area, including land. The appellant also provided the Multiple Listing Service (MLS) sheets associated with the sale of each comparable. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$138,725. The subject's assessment reflects a market value of \$418,477 or \$160.27 per square foot of living area, land included, when using the 2017 three-year average median level of assessment for Lake County of 33.15% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on nine comparable sales located in the same neighborhood as the subject property and within .704 of a mile of the subject. The comparables have sites ranging in size from 7,524 to 15,554 square feet of land area and consist of two-story dwellings of wood siding exterior construction that range in size from 2,396 to 2,678 square feet of living area. The dwellings were constructed from 1989 to 1993. Each comparable has a basement with finished area, central air conditioning and a garage ranging in size from 400 to 484 square feet of building area. In addition, five comparables each have one or two fireplaces and comparable #8 has a 420 square foot in-ground swimming pool. These properties sold from February 2016 to May 2017 for prices ranging from \$379,500 to \$475,000 or from \$158.39 to \$181.92 per square foot of living area, including land. The board of review provided property record cards of the subject property and each comparable submitted by the board of review. Based on the comparable sales evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted fifteen comparables for the Board's consideration. The Board gave less weight to board of review comparable #8 which has an in-ground swimming pool feature, unlike the subject.

The Board finds the best evidence of market value to be the six comparables submitted by the appellant, along with the remaining eight comparables submitted by the board of review. These fourteen comparables each have features with varying degrees of similarity when compared to the subject, however, they are similar to the subject in location, dwelling size, design and age. These comparables sold from February 2016 to May 2017 for prices ranging from \$325,000 to \$475,000 or from \$124.47 to \$181.92 per square foot of living area, including land. The subject's assessment reflects a market value of \$418,477 or \$160.27 per square foot of living

area, including land, which falls within the range established by the best comparable sales in this record. After considering necessary adjustments to the comparable sales for differences when compared to the subject, the Board finds no reduction in the subject's estimated market value as reflected by its assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
