

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: David Weiner
DOCKET NO.: 17-02481.001-R-1
PARCEL NO.: 15-33-217-012

The parties of record before the Property Tax Appeal Board are David Weiner, the appellant, by attorney Ronald Kingsley of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$28,153
IMPR.: \$122,321
TOTAL: \$150,474

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,600 square feet of living area. The dwelling was constructed in 1988. Features of the home include a partial basement with finished area, central air conditioning and a 460 square foot garage. The property has a 6,825 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales located from .17 to .50 of a mile from the subject property. The comparables have sites ranging in size from 6,825 to 7,350 square feet of land area. The comparables consist of two-story dwellings of wood siding exterior construction ranging in size from 2,290 to 2,630 square feet of living area. The dwellings were constructed from 1978 to 1988. Each comparable features a basement with four having finished

area, central air conditioning and a garage with either 440 or 460 square feet of building area. In addition, three comparables each have one fireplace. The comparables sold from August 2016 to March 2017 for prices ranging from \$370,000 to \$430,000 or from \$149.80 to \$186.68 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$150,474. The subject's assessment reflects a market value of \$453,919 or \$174.58 per square foot of living area, land included, when using the 2017 three-year average median level of assessment for Lake County of 33.15% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on six comparable sales located from .054 to .461 of a mile from the subject property, with one comparable also used by the appellant. Board of review comparable #5 and the appellant's comparable #3 are the same property. The comparables have sites ranging in size from 6,825 to 11,453 square feet of land area. The comparables were improved with two-story dwellings of wood siding exterior construction ranging in size from 2,377 to 2,630 square feet of living area. The dwellings were constructed from 1980 to 1988. Two comparables feature concrete slab foundations and four comparables have basements with finished area. Each comparable has central air conditioning and a garage ranging in size from 400 to 460 square feet of building area. In addition, five comparables each have one fireplace. The comparables sold from August 2016 to May 2018 for prices ranging from \$429,000 to \$465,000 or from \$163.50 to \$189.02 per square foot of living area, including land. The board of review provided property record cards of the subject and the comparables. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The parties submitted ten suggested comparable sales for the Board's consideration, with one comparable common to both parties. The board gave less weight to the appellant's comparable #5 due to its smaller dwelling size when compared to the subject. The Board also gave less weight to board of review comparables #1, #3 and #6 which have concrete slab foundations unlike the subject and/or sales that occurred less proximate in time to the January 1, 2017 assessment date.

The Board finds the best evidence of market value to be the remaining six comparables in the record, which includes the parties' common comparable. These comparables are similar to the subject in location, dwelling size, design, age and features. The comparables sold from August 2016 to July 2017 for prices ranging from \$370,000 to \$465,000 or from \$149.80 to \$189.02 per

square foot of living area, including land. The subject's assessment reflects a market value of \$453,919 or \$174.58 per square foot of living area, land included, which falls within the range established by the best comparable sales in this record. After considering any necessary adjustments to the comparables for differences when compared to the subject, the Board finds the estimated market value as reflected by the assessment is supported and no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
