

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Tom Coutretsis
DOCKET NO.: 17-02594.001-R-1
PARCEL NO.: 14-26-402-015

The parties of record before the Property Tax Appeal Board are Tom Coutretsis, the appellant, by attorney George N. Reveliotis of Reveliotis Law, P.C. in Park Ridge; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$69,511
IMPR.: \$217,782
TOTAL: \$287,293

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 4,985 square feet of living area. The dwelling was constructed in 1990. Features of the home include a full unfinished basement, central air conditioning, a fireplace, an 864 square foot garage and a 540 square foot inground swimming pool. The property has a 127,013 square foot site and is located in Long Grove, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$775,000 as of January 1, 2017. The appraisal was prepared by William P. Neberieza, a certified residential real estate appraiser. In estimating the market value of the subject property, the appraiser developed the sales comparison approach to value. Based on this evidence, the appellant requested a reduction in the subject's market value

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$287,293. The subject's assessment reflects a market value of \$866,646 or \$173.85 per square foot of living area, land included, when using the 2017 three-year average median level of assessment for Lake County of 33.15% as determined by the Illinois Department of Revenue. The board of review disclosed the first year of the general assessment period was 2015 and township equalization factors of 1.0499 and 1.0327 were applied in the 2016 and 2017 tax years, respectively.

In support of its contention of the correct assessment, the board of review argued the Property Tax Appeal Board issued a decision pertaining to the subject property for the 2015 tax year under Docket Number 15-03679.001-R-1. In that appeal, the Property Tax Appeal Board issued a decision based on an agreement between the parties lowering the subject's assessment to \$264,973. The board of review argued the subject's 2017 assessment reflects the Property Tax Appeal Board's 2015 decision plus application of the 2016 and 2017 equalization factors of 1.0499 and 1.0327, respectively, as provided by section 16-185 of the Property Tax Code. (35 ILCS 200/16-185).

The board of review also submitted five suggested comparable sales in further support of its assessment of the subject property. Board of review comparables #3 and #6 are the same property. The comparables have varying degrees of similarity when compared to the subject in location, design, age, dwelling size and features. The comparables sold from July 2015 to September 2017 for prices ranging from \$765,200 to \$1,487,500 or from \$176.03 to \$241.40 per square foot of living area including land. The board of review provided property record cards of the subject and its comparables. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The Property Tax Appeal Board finds the subject property was the matter of an appeal before this Board for the 2015 tax year under Docket Numbers 15-03679.001-R-1. In that appeal, the Property Tax Appeal Board rendered a decision lowering the subject's assessment to \$264,973 based on an agreement by the parties. The Property Tax Appeal Board takes notice that Lake County's quadrennial general assessment period began in the 2015 tax year and continues through the 2018 tax year. The Board further finds section 16-185 of the Property Tax Code is controlling in this appeal. (35 ILCS 200/16-185).

Section 16-185 of the Property Tax Code provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the

Property Tax Appeal Board is reversed or modified upon review. (35 ILCS 200/16-185)

The Board finds this record disclosed the subject property is an owner-occupied residence and the 2015 through 2017 tax years are within the same general assessment period. The Board finds the record shows equalization factors of 1.0499 and 1.0393 were issued in Ela Township for the 2016 and 2017 tax years. The record contains no evidence showing the Board's 2015 decision was reversed or modified upon review and there was no evidence the subject property sold in an arm's-length transaction establishing a different fair cash value. Applying section 16-185 of the Property Tax Code (35 ILCS 200/16-185) to the Board's 2015 tax year decision results in an assessment of \$287,293. ($\$264,973 \times 1.0499 \times 1.0327 = \$287,293$). The subject's final 2017 assessment as established by the board of review was \$287,293. Considering the statutory requirements of section 16-185 of the Property Tax Code (35 ILCS 200/16-185), the Property Tax Appeal Board finds the assessment as established by the board of review is correct and no change in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
