

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kevin Dahlen
DOCKET NO.: 17-02602.001-R-1
PARCEL NO.: 02-34-404-018

The parties of record before the Property Tax Appeal Board are Kevin Dahlen, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$14,578
IMPR.: \$84,477
TOTAL: \$99,055

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a part one-story and part two-story single-family dwelling of wood siding exterior with 2,925 square feet of living area. The dwelling was constructed in 1990. Features of the home include a full basement with 700 square feet of finished area, central air conditioning, a fireplace and an attached 609 square foot garage. The property has a 12,928 square foot site and is located in Lindenhurst, Lake Villa Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located in close proximity to the subject property. The comparables consist of two-story dwellings of wood siding exterior that were each built in 1990. Each home contains either 2,712 or 2,800 square feet of living area and features a partial basement, one of which has finished area. The dwellings also each have central air conditioning, a fireplace and an attached garage ranging in size from 441 to 484 square feet of

building area. The comparables sold from June 2015 to May 2016 for prices ranging from \$194,500 to \$255,000 or from \$71.72 to \$91.07 per square foot of living area, including land.

Based on this evidence, the appellant requested a total assessment that would reflect a market value of \$264,713 or \$90.50 per square foot of living area, including land, at the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$99,055. The subject's assessment reflects a market value of \$298,808 or \$102.16 per square foot of living area, land included, when using the 2017 three year average median level of assessment for Lake County of 33.15% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales where board of review comparable #2 is the same property as appellant's comparable #3. The comparables are located in close proximity to the subject property and consist of two-story dwellings of wood siding exterior. The homes were built between 1990 and 1995 and range in size from 2,310 to 2,800 square feet of living area. Each home features a basement with finished area, central air conditioning, a fireplace and garage ranging in size from 420 to 504 square feet of building area. The comparables sold from May 2016 to July 2017 for prices ranging from \$255,000 to \$295,000 or from \$91.07 to \$120.61 per square foot of living area, including land.

Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of six comparable sales, with one common comparable presented by both parties, to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to appellant's comparable #2 as the date of sale in 2015 is more remote in time to the valuation date at issue of January 1, 2017 and thus less likely to be indicative of the subject's estimated market value as of the assessment date.

The Board finds the best evidence of market value to be appellant's comparable sales #1 and #3 along with the board of review comparables, where there is one common property presented by both parties. These comparables are each similar to the subject in location, age, design, size and most features. These five most similar comparables sold between January 2016 and July 2017 for prices ranging from \$194,500 to \$295,000 or from \$71.72 to \$120.61 per square foot of living area, including land. The subject's assessment reflects a market value of \$298,808 or \$102.16 per square foot of living area, including land, which is within the range established by

the best comparable sales in this record on a per-square-foot basis and while the total value is greater, the Board finds this is logical since the subject dwelling is slightly larger than all of these most similar comparables and has a larger garage than each of these comparables. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
