

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mary Brady
DOCKET NO.: 17-02651.001-R-1
PARCEL NO.: 04-21-112-008

The parties of record before the Property Tax Appeal Board are Mary Brady, the appellant, by attorney Ronald Kingsley of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **a reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,420
IMPR.: \$0
TOTAL: \$1,420

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a vacant lot with 7,105 square feet of land area. The property is in Zion, Zion Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales composed of vacant sites with either 8,628 or 9,185 square feet of land area. The comparables are located from .59 to .79 of a mile from the subject property. The sales occurred in April 2015 and August 2016 for prices of \$3,750 or \$4,500 or for approximately \$.43 and \$.49 per square foot of land area. The appellant requested the subject's assessment be reduced to \$1,200.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$1,840. The subject's assessment reflects a market value of \$5,551

or approximately \$.78 per square foot of land area when using the 2017 three-year average median level of assessment for Lake County of 33.15% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable vacant land sales that range in size from 8,516 to 12,506 square feet of land area. The comparables are located from .536 to 1.446 miles from the subject property. The sales occurred from June 2015 to June 2017 for prices ranging from \$.60 to \$1.76 per square foot of land area. The board of review requested the assessment be sustained.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appellant's comparable sales and board of review sale #1 as these properties are most similar to the subject in location. These comparables sold for prices ranging from \$.43 to \$.60 per square foot of land area. The subject's assessment reflects a market value of \$.78 per square foot land area, which is above the range established by the best comparable sales in this record. Less weight was given board of review comparable sales #2 through #4 as these three comparables are less proximate to the subject in location as the best sales identified herein. Based on this evidence the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
