

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jeff Koenig
DOCKET NO.: 17-02658.001-R-1
PARCEL NO.: 04-16-206-002

The parties of record before the Property Tax Appeal Board are Jeff Koenig, the appellant, by attorney Ronald Kingsley of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$9,845
IMPR.: \$50,975
TOTAL: \$60,820

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of brick exterior construction with 1,516 square feet of living area. The dwelling was constructed in 1985. Features of the home include a full unfinished basement, a fireplace and a 616 square foot garage. The property has a 17,859 square foot site and is located in Winthrop Harbor, Benton Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales located from .45 of a mile of to 1.89 miles from the subject property. The comparables have sites ranging in size from 17,205 to 44,866 square feet of land area. The comparables consist of one-story dwellings of brick, vinyl or wood siding exterior construction ranging in size from 1,380 to 1,760 square feet of living area. The dwellings were constructed from 1984 to 2003. The comparables each feature an unfinished basement, one or two fireplaces and one or two garages ranging in size from 546 to

1,152 square feet of building area. In addition, four comparables have central air conditioning. The comparables sold from March 2016 to March 2017 for prices ranging from \$160,000 to \$195,000 or from \$100.98 to \$117.75 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$60,820. The subject's assessment reflects a market value of \$183,469 or \$121.02 per square foot of living area, land included, when using the 2017 three-year average median level of assessment for Lake County of 33.15% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on three comparable sales located from .128 of a mile to 1.795 miles of the subject property. The comparables have sites ranging in size from 12,750 to 18,695 square feet of land area. The comparables were improved with one-story dwellings of wood siding exterior construction ranging in size from 1,408 to 1,808 square feet of living area. The dwellings were constructed from 1987 to 2005. Each comparable features an unfinished basement, central air conditioning, one fireplace and a garage ranging in size from 528 to 720 square feet of building area. The comparables sold from January 2016 to April 2017 for prices ranging from \$210,000 to \$240,000 or from \$128.24 to \$149.15 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The parties submitted eight comparable sales for the Board's consideration. The board gave less weight to the appellant's comparable sale #1, #2 and #5 due to their less proximate locations to the subject being more than 1.37 miles away and/or significant differences in site size, dwelling size and age. The Board also gave less weight to board of review comparable sales #1 and #2 which are newer in age when compared to the subject. Furthermore, comparable #2 is located 1.795 miles away from the subject.

The Board finds the best evidence of market value to be the appellant's comparables #3 and #4, along with board of review comparable #3. These comparables are similar to the subject in location, dwelling size, design, age and features. The comparables sold from January 2016 to March 2017 for prices ranging from \$160,000 to \$221,600 or from \$115.52 to \$128.24 per square foot of living area, including land. The subject's assessment reflects a market value of \$183,469 or \$121.02 per square foot of living area, land included, which falls within the range established by the best comparable sales in this record. After considering any necessary adjustments to the comparables for differences when compared to the subject, the Board finds

the estimated market value as reflected by the assessment is supported and no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
