

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Monty Scher
DOCKET NO.: 17-02665.001-R-1
PARCEL NO.: 16-21-305-008

The parties of record before the Property Tax Appeal Board are Monty Scher, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$126,701
IMPR.: \$148,495
TOTAL: \$275,196

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of brick exterior construction with 3,040 square feet of living area. The dwelling was constructed in 1956. Features of the home include crawl space and slab foundations, inground pool, central air conditioning, a fireplace and an attached 632 square foot garage. The property has a 44,431 square foot site and is located in Highland Park, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted three comparable sales. The comparables have varying degrees of similarity when compared to the subject in location, design, age, dwelling size and features. The comparables sold in April 2016 or September 2016 for prices ranging from \$500,000 to \$575,000 or from \$158.97 to \$193.73 per square foot of living area including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$275,196. The subject's assessment reflects a market value of \$830,154 or \$273.08 per square foot of living area, land included, when using the 2017 three year average median level of assessment for Lake County of 33.15% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review argued the Property Tax Appeal Board's issued decision pertaining to the subject property for the prior 2015 tax year under Docket Number 15-03135.001-R-1. In that appeal, the Property Tax Appeal Board issued a decision based on an agreement between the parties lowering the subject's assessment to \$248,793. The board of review argued the subject's 2017 assessment reflects the Property Tax Appeal Board's 2015 decision plus application of the 2016 and 2017 equalization factors of 1.0643 and 1.0393, respectively, as provided by section 16-185 of the Property Tax Code. (35 ILCS 200/16-185).

The board of review also submitted four suggested comparable sales in further support of its assessment of the subject property. The comparables have varying degrees of similarity when compared to the subject in location, design, age, dwelling size and features. The comparables sold from June 2015 to September 2017 for prices ranging from \$702,000 to \$762,500 or from \$208.87 to \$241.65 per square foot of living area including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did meet this burden of proof and a reduction in the subject's assessment is warranted.

The Property Tax Appeal Board finds the subject property was the matter of an appeal before this Board for a prior tax year under Docket Numbers 15-03135.001-R-1. In that appeal, the Property Tax Appeal Board rendered a decision lowering the subject's assessment to \$248,793 based on an agreement by the parties. The Property Tax Appeal Board takes notice that Lake County's quadrennial general assessment period began in the 2015 tax year and continues through the 2018 tax year. The Board further finds section 16-185 of the Property Tax Code is controlling in this appeal. (35 ILCS 200/16-185).

Section 16-185 of the Property Tax Code provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash

value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review. (35 ILCS 200/16-185)

The Board finds this record disclosed the subject property is an owner-occupied residence and the 2015 through 2017 tax years are within the same general assessment period. The Board finds the record shows a 1.0643 and 1.0393 equalization factors were issued in West Deerfield Township for the 2016 and 2017 tax years. The record contains no evidence showing the Board's 2015 decision was reversed or modified upon review and there was no evidence the subject property sold in an arm's-length transaction establishing a different fair cash value. Applying section 16-185 of the Property Tax Code (35 ILCS 200/16-185) to the Board's prior 2015 decision results in an assessment of \$275,196. ($\$248,793 \times 1.0643 \times 1.0393 = \$275,196$). The subject's final 2017 assessment as established by the board of review was \$275,196. Considering the statutory mandates of section 16-185 of the Property Tax Code (35 ILCS 200/16-185), the Property Tax Appeal Board finds no change in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
