

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ania Wiatr
DOCKET NO.: 17-02675.001-R-1
PARCEL NO.: 14-36-403-003

The parties of record before the Property Tax Appeal Board are Ania Wiatr, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$46,259
IMPR.: \$152,165
TOTAL: \$198,424

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding and face brick exterior with 4,092 square feet of living area. The dwelling was constructed in 1973 and includes a partial basement along with crawl space and concrete slab foundation design. Other features of the home include central air conditioning, two fireplaces and a 1,161 square foot garage. The property has a 40,023 square foot site and is located in Long Grove, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales all located in the subject's neighborhood and within 0.64 miles from the subject. The comparables have sites ranging in size from 39,630 to 47,205 square feet of land area that are improved with two-story dwellings that range in size from 3,586 to 4,312 square feet of living area. The homes were built between 1973 and 1976. All comparables have basements, central air condition, a fireplace and attached

garages ranging in size from 516 to 971 square feet of building area. One comparable has an inground pool. The comparables sold from January 2016 to July 2016 for prices ranging from \$450,000 to \$493,500 or from \$104.36 to \$137.62 per square foot of living area, land included. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$116,312.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$198,424. The subject's assessment reflects a market value of \$598,564 or \$146.28 per square foot of living area, land included, when using the 2017 three year average median level of assessment for Lake County of 33.15% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales all located in the subject's neighborhood and within 0.63 mile from the subject. The comparables have sites ranging in size from 40,415 to 44,509 square feet of land area that are improved with two-story dwellings that range in size from 3,309 to 4,024 square feet of living area. The homes were built in 1976 and 1998. All comparables have basements, one with finished area¹, central air condition, one or three fireplaces and attached garages ranging in size from 563 to 1,000 square feet of building area. The comparables sold from June 2015 to October 2017 for prices ranging from \$585,000 to \$750,000 or from \$150.35 to \$203.80 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven comparables for the Board's consideration. The comparables have varying degrees of similarity when compared to the subject in location, design, age, dwelling size and features. The Board gave minimal weight to the board of review's comparables #1 and #3 as the 2015 sale dates are considered beyond an acceptable time frame for a January 1, 2017 market valuation. The Board also gives minimal weight to the appellant's comparable #1 based on presence of inground pool. The Board finds the best evidence of market value to be appellant's comparable sales #2 and #3 and the board of review's comparable sales #2 and #4 which are considered most like the subject in location, age, design and overall features. These most similar comparables sold for prices ranging from \$470,000 to \$750,000 or from \$123.81 to \$203.80 per square foot of living area, including land. The subject's assessment reflects a market value of \$598,564 or \$146.28 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

¹ Basement finished area was obtained from data include in the property record cards.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
