

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Phillip & Suzanne Knell  
DOCKET NO.: 17-02679.001-R-1  
PARCEL NO.: 14-32-101-027

The parties of record before the Property Tax Appeal Board are Phillip & Suzanne Knell, the appellants, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$35,362  
**IMPR.:** \$173,366  
**TOTAL:** \$208,728

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of wood exterior construction with 3,656 square feet of living area. The dwelling was constructed in 1985. Features of the home include a full basement with finished area, central air conditioning, three fireplaces and a 768 square foot attached garage. The property has a 43,627 square foot site and is located in Deer Park, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales all located in the subject's neighborhood and within 0.80 mile from the subject. The comparables have sites ranging in size from 40,294 to 44,771 square feet of land area and are improved with two-story dwellings ranging in size from 3,362 to 4,206 square feet of living area. The homes were built from 1977 to 1990. The comparables sold from September 2015 to June 2016 for prices ranging from

\$478,000 to \$545,000 or from \$129.58 to \$142.18 per square foot living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$166,283.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$208,728. The subject's assessment reflects a market value of \$629,647 or \$172.22 per square foot of living area, land included, when using the 2017 three year average median level of assessment for Lake County of 33.15% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales all located in the subject's neighborhood and within 0.30 mile from the subject. The comparable sites range in size from 35,812 to 95,428 square feet of land area and are improved with two-story dwellings ranging in size from 3,564 to 3,803 square feet of living area. The homes were built between 1980 to 1984. All comparables have basements, three with finished area, central air conditioning, one to three fireplaces and attached garages ranging in size from 768 to 952 square feet of building area. The comparables sold from September 2015 to October 2017 for prices ranging from \$740,000 to \$885,000 or from \$207.63 to \$236.11 per square feet of living area, land included. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven comparables for the Board's consideration. The comparables have varying degrees of similarity when compared to the subject in location, design, age, dwelling size and features. The Board recognizes the subject site is located on a pond. Site view information was not provided for the appellant's comparables. An analysis of land assessment values for all comparables submitted to the Board was conducted to assist in determining the importance of this feature in the subject's market. The Board gives minimal weight to the appellant's comparables #2 and #3 due to older age and unfinished basement features and board of review comparable #1 based on unfinished basement. The Board finds the best evidence of market value to be the appellant's comparable #1 and board of review comparables #2, #3 and #4 which are most similar to the subject in location, age, site size, and dwelling size. These most similar comparables sold from September 2015 to June 2017 for prices ranging from \$478,000 to \$885,000 or from \$142.18 to \$236.11 per square foot of living area, including land. The subject's assessment reflects a market value of \$629,647 or \$172.22 per square foot of living area, including land, which falls within the range of market value and price per square foot established by the best comparable sales in this record. After considering adjustments to comparables for differences to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
