

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Fred & Dorothy Koenig  
DOCKET NO.: 17-02683.001-R-1  
PARCEL NO.: 14-32-405-004

The parties of record before the Property Tax Appeal Board are Fred & Dorothy Koenig, the appellants, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$34,751  
**IMPR.:** \$144,208  
**TOTAL:** \$178,959

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellants timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of brick exterior construction with 2,840 square feet of living area. The dwelling was constructed in 1989. Features of the home include a full unfinished basement, central air conditioning, a fireplace and a 672 square foot garage. The property has a 32,573 square foot site and is located in Deer Park, Ela Township, Lake County.

The appellants contend overvaluation as the basis of the appeal. In support of this argument the appellants submitted information on three comparable sales all located in the subject's neighborhood and within 1.6 miles of the subject property. The comparables have sites ranging in size from 32,309 to 45,624 square feet of land area that are improved with two-story dwellings that range in size from 2,744 to 3,166 square foot living area. All comparables have unfinished basements, central air conditioning, a fireplace and garages ranging in size from 604 to 726 square feet of building area. The homes were built in 1981 or 1987. The comparables sold from

August 2015 to April 2017 for prices ranging from \$342,000 to \$440,000 or from \$121.62 to \$138.98 per square foot of living area, land included. Based on this evidence, the appellants requested the subject's assessment be reduced to \$125,931.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$178,959. The subject's assessment reflects a market value of \$539,846 or \$190.09 per square foot of living area, land included, when using the 2017 three year average median level of assessment for Lake County of 33.15% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on eight comparable sales all located in the subject's neighborhood and within 0.80 miles from the subject property. The comparables have sites ranging in size from 41,350 to 62,688 square feet of land area and are improved with two-story dwellings ranging in size from 2,518 to 2,950 square feet of living area. The homes were built between 1985 and 1989. All comparables include basements, five with finished recreational area; central air conditioning, one to three fireplaces and attached garages ranging in size from 564 to 844 square feet of building area. The comparables sold from April 2015 to May 2017 for prices ranging from \$522,500 to \$607,000 or from \$187.63 to \$222.40 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted 11 comparables for the Board's consideration. The comparables have varying degrees of similarity when compared to the subject in terms of location, design, age, dwelling size and features. The Board gives minimal weight to the appellants' comparable #1 and the board of review comparables #5 to #8 due to 2015 sale dates considered relatively dated for a January 1, 2017 assessment. The Board finds the best evidence of market value to be appellants' comparable sales #2 and #3 and board of review comparable #1 through #4 which are considered to be most like the subject in location, design and features. These most similar comparables sold from January 2016 to May 2017 for prices ranging from \$380,000 to \$560,000 or from \$138.48 to \$222.40 per square foot of living area, including land. The subject's assessment reflects a market value of \$539,846 or \$190.09 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
