

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: H. Barry Goodman  
DOCKET NO.: 17-02712.001-R-1  
PARCEL NO.: 15-28-214-016

The parties of record before the Property Tax Appeal Board are H. Barry Goodman, the appellant, by attorney Ronald Kingsley of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$48,498  
**IMPR.:** \$124,818  
**TOTAL:** \$173,316

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,492 square feet of living area. The dwelling was constructed in 1989 but has an effective age of 1990 due to an addition in 2008. Features of the home include an unfinished partial basement, central air conditioning, a fireplace and a 483 square foot garage. The property has a 12,873 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales located within .56 of a mile the subject property. The comparables have sites ranging in size from 9,627 to 13,525 square feet of land area. The comparables consist of two-story dwellings of wood siding exterior construction containing 2,220 or 2,279 square feet of living area that were constructed from 1985 to 1988. Each comparable features a full or partial basement with three having finished area, central air

conditioning and a 440 or 483 square foot garage. In addition, three comparables each have one fireplace. The comparables sold from December 2015 to April 2017 for prices ranging from \$395,000 to \$480,000 or from \$173.32 to \$210.62 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$173,316. The subject's assessment reflects a market value of \$522,824 or \$209.80 per square foot of living area, land included, when using the 2017 three-year average median level of assessment for Lake County of 33.15% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on six comparable sales located within .533 of a mile of the subject property. The comparables have sites ranging in size from 8,750 to 13,505 square feet of land area. The comparables were improved with two-story dwellings of wood siding exterior construction ranging in size from 2,096 to 2,490 square feet of living area. The dwellings were constructed from 1985 to 1989. Comparable #6 has an effective age of 1989 due to an addition in 2004. Each comparable features a partial basement with two having finished area, central air conditioning, one fireplace and a garage ranging in size from 400 to 483 square feet of building area. The comparables sold from March 2016 to May 2017 for prices ranging from \$473,000 to \$510,000 or from \$189.96 to \$238.55 per square foot of living area, including land. The board of review provided property record cards of the subject and its comparables. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The parties submitted ten suggested comparable sales for the Board's consideration. The Board gave reduced weight to the appellant's comparable sales #1 through #3, along with board of review comparables #1 and #5 as each has a finished basement unlike the subject.

The Board finds the best evidence of market value to be the five remaining comparables submitted by the parties. Although four of the comparables have slightly smaller dwellings when compared to the subject, they are similar to the subject in location, design, age and features. They sold from December 2015 to May 2017 for prices ranging from \$189.96 to \$238.55 per square foot of living area, including land. The subject's assessment reflects a market value of \$209.80 per square foot of living area, land included, which falls within the range established by the best comparable sales in this record on a price per square foot basis. After considering any necessary adjustments to the comparables for differences when compared to the subject, the Board finds the estimated market value as reflected by the assessment is supported. Based on this record, the Board finds the appellant did not demonstrate by a preponderance of

the evidence that the subject was overvalued and no reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
