

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Paul Arenson
DOCKET NO.: 17-02742.001-R-1
PARCEL NO.: 15-28-311-034

The parties of record before the Property Tax Appeal Board are Paul Arenson, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$42,343
IMPR.: \$106,310
TOTAL: \$148,653

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,050 square feet of living area. The dwelling was constructed in 1987. Features of the home include a partial basement with finished area, central air conditioning, a fireplace and a 400 square foot attached garage. The property has a 10,672 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales all located in the subject's neighborhood number and within 0.52 of a mile from the subject property. The comparables have sites ranging in size from 9,627 to 13,460 square feet of land area and are improved with two-story dwellings that have 2,096 or 2,279 square feet of living area. The homes were built in 1986 or 1989. All comparables have partial basements with finished area, central air

conditioning, one or two fireplaces and attached garages with 440 square feet of building area. The comparables sold from January 2015 to March 2017 for prices ranging from \$395,000 to \$410,000 or from \$173.32 to \$188.93 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$123,489.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$148,653. The subject's assessment reflects a market value of \$448,425 or \$218.74 per square foot of living area, land included, when using the 2017 three year average median level of assessment for Lake County of 33.15% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on eight comparable sales all located in the subject's neighborhood number and within 0.45 of a mile from the subject. The comparables have sites ranging from 8,843 to 13,690 square feet of land area that are improved with two-story dwellings of wood siding exterior construction that have 2,064 to 2,096 square feet of living area. The homes were built from 1985 to 1987. All comparables have basements, seven which have finished area. All comparables have central air conditioning, one fireplace and attached garages with 400 or 440 square feet of building area. The comparables sold from October 2016 to May 2018 for prices ranging from \$443,000 to \$508,000 or from \$214.63 to \$242.37 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eleven comparables for the Board's consideration. The comparables have a high degree of similarity when compared to the subject in terms of location, age, dwelling size and features. The comparables differ from the subject in terms of site size and basement finish. The Board gives little weight to the appellant's comparables #1 and #2 and board of review comparable #6 for sale dates in 2015 and 2018 which are less proximate to a January 1, 2017 assessment date than other comparables submitted. The Board finds the best evidence of market value to be appellant's comparable #3 and board of review comparables #1-#5 and #7-#8 all of which have finished basement features like the subject. These most similar comparables sold from October 2016 to July 2017 for prices ranging from \$395,000 to \$475,000 or from \$173.32 to \$230.14 per square foot of living area, including land. The subject's assessment reflects a market value of \$448,425 or \$218.74 per square foot of living area, including land, both of which are within the ranges established by the best comparable sales in this record. After considering adjustments to comparables when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
