

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Darlene & Glen Brin
DOCKET NO.: 17-02746.001-R-1
PARCEL NO.: 15-20-101-025

The parties of record before the Property Tax Appeal Board are Darlene & Glen Brin, the appellants, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$34,384
IMPR.: \$144,846
TOTAL: \$179,230

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 2,963 square feet of living area. The dwelling was constructed in 1986. Features of the home include a full basement with finished area, central air conditioning, a fireplace and an 816 square foot garage. Other features of note include an inground pool. The property has a 46,609 square foot site and is located in Long Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales all located in the subject's neighborhood code and within 0.37 of a mile from the subject property. The comparables have sites ranging from 43,560 to 46,609 square feet of land area and are improved with two-story dwellings ranging from 3,066 to 3,352 square feet of living area. The homes were built in 1987. Each comparable has a basement, two with finished area, central air conditioning, one or two

fireplaces and attached garages with 638 to 792 square feet of building area. One comparable has an inground pool. The comparables sold from April 2015 to September 2016 for prices of \$515,000 or \$520,000 or from \$155.13 to \$167.97 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$160,992.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$179,230. The subject's assessment reflects a market value of \$540,664 or \$182.47 per square foot of living area, land included, when using the 2017 three year average median level of assessment for Lake County of 33.15% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on eight comparable sales all located in the subject's neighborhood code and within 0.48 of a mile from the subject property. The comparables have sites ranging from 24,645 to 59,491 square feet of land area and are improved with two-story dwellings of wood siding exterior construction that range in size from 2,586 to 2,996 square feet of living area. The homes were built from 1985 to 1990. All comparables have basements, six with finished area, central air conditioning, one fireplace and attached garages ranging from 441 to 866 square feet of building area. One comparable has an inground pool. The comparables sold from July 2016 to August 2018 for prices from \$525,000 to \$600,000 or from \$181.60 to \$216.55 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eleven comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2 and board of review comparables #2, #3 and #8 for sales dates in 2015 or 2018 which are less proximate in time to a January 1, 2017 assessment date. The Board also give less weight to the board of review comparable #6 due to unfinished basement when compared to the subject. The Board finds the best evidence of market value to be appellant's comparable #3 and board of review comparables #1, #4, #5 and #7 These comparables are most similar in location, dwelling size, design and features. These most similar comparables sold from July 2016 to September 2019 for prices ranging from \$515,000 to \$590,000 or from \$167.97 to \$216.55 per square foot of living area, including land. The subject's assessment reflects a market value of \$540,000 or \$182.47 per square foot of living area, including land, which is within the ranges established by the best comparable sales in this record. After considering adjustments to the comparables for differences to the subject property, and based on the evidence in this record, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
