

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Barbara Siegel
DOCKET NO.: 17-02751.001-R-1
PARCEL NO.: 15-24-202-006

The parties of record before the Property Tax Appeal Board are Barbara Siegel, the appellant, by attorney Ronald Kingsley of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$73,300
IMPR.: \$124,979
TOTAL: \$198,279

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 2,642 square feet of living area. The dwelling was constructed in 1976. Features of the home include a partial basement with finished area, central air conditioning, a fireplace and a 550 square foot garage. The property has a 20,038 square foot site and is located in Lincolnshire, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales located from .31 of a mile to 1.21 miles from the subject property. The comparables have sites ranging in size from 20,038 to 22,651 square feet of land area. The comparables consist of two-story dwellings of brick exterior construction ranging in size from 2,517 to 2,672 square feet of living area. The dwellings were constructed from 1965 to 1969. Each comparable features a basement with two

having finished area, central air conditioning, one or two fireplaces and a garage ranging in size from 440 to 550 square feet of building area. The comparables sold from March 2016 to May 2017 for prices ranging from \$492,500 to \$575,000 or from \$184.87 to \$215.19 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$198,279. The subject's assessment reflects a market value of \$598,127 or \$226.39 per square foot of living area, land included, when using the 2017 three-year average median level of assessment for Lake County of 33.15% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales located within approximately .22 of a mile from the subject property. The comparables have sites ranging in size from 14,810 to 20,038 square feet of land area. The comparables were improved with two-story dwellings of brick exterior construction ranging in size from 2,754 to 2,870 square feet of living area. The dwellings were constructed from 1971 to 1975. Each comparable features a basement with two having finished area, central air conditioning, one or two fireplaces and a garage containing either 456 or 506 square feet of building area. The comparables sold from January to May 2016 for prices ranging from \$605,000 to \$652,000 or from \$214.81 to \$236.75 per square foot of living area, including land. The board of review provided property record cards of the subject and its comparables. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The parties submitted eight comparable sales for the Board's consideration. The board gave less weight to the appellant's comparables #1, #3 and #4 which differ from the subject in age being 10 years older or location being more than one mile away. The Board also gave less weight to board of review comparable #1 due to its considerably larger finished basement when compared to the subject.

The Board finds the best evidence of market value to be the remaining four comparables submitted by the parties. These comparables are similar to the subject in location, dwelling size, design and age, although board of review comparable #2 has a smaller site size and board of review comparables #3 and #4 each lack a finished basement, a feature of the subject. The comparables sold from January to June 2016 for prices ranging from \$537,000 to \$640,000 or from \$205.28 to \$229.72 per square foot of living area, including land. The subject's assessment reflects a market value of \$598,127 or \$226.39 per square foot of living area, land included, which falls within the the range established by the best comparable sales in this record. After

considering any necessary adjustments to the comparables for differences when compared to the subject, the Board finds the estimated market value as reflected by the assessment is supported and no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
