

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Yu Shen
DOCKET NO.: 17-02813.001-R-1
PARCEL NO.: 15-17-414-012

The parties of record before the Property Tax Appeal Board are Yu Shen, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$42,975
IMPR.: \$148,636
TOTAL: \$191,611

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,919 square feet of living area. The dwelling was constructed in 1996. Features of the home include a full basement with finished area, central air conditioning, one fireplace and a 672 square foot attached garage. The property has a 15,000 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant's appeal is based on overvaluation. In support of this argument, the appellant submitted information on six comparable sales located from .02 to .34 of a mile from the subject property. The comparables are described as two-story dwellings of wood siding or brick exterior construction ranging in size from 2,919 to 3,516 square feet of living area. The dwellings were constructed from 1991 to 1999. Features of each comparable include a basement with four having finished area; central air conditioning; one or two fireplaces and an attached garage

ranging in size from 672 to 725 square feet of building area. The properties have sites ranging in size from 15,000 to 18,514 square feet of land area. The comparables sold from May 2016 to April 2017 for prices ranging from \$535,000 to \$639,000 or from \$162.55 to \$190.48 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's total assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$191,611. The subject's assessment reflects a market value of \$578,012 or \$198.02 per square foot of living area, including land, when applying the 2017 three-year average median level of assessment for Lake County of 33.15% as determined by the Illinois Department of Revenue.

In support of the subject's assessment, the board of review submitted information on eight comparable sales located within .343 of a mile from the subject property.¹ The comparables are improved with two-story dwellings of wood siding exterior construction that range in size from 2,761 to 2,978 square feet of living area. The dwellings were constructed from 1988 to 1996. Features of each comparable include a basement with five having finished area; central air conditioning; one or two fireplaces and a garage ranging in size from 441 to 747 square feet of building area. The properties have sites ranging in size from 11,428 to 17,387 square feet of land area. The comparables sold from May 2016 to September 2018 for prices ranging from \$556,000 to \$620,000 or from \$182.80 to \$210.58 per square foot of living area, including land. Based on this evidence, the board of review requested that the subject property's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the parties submitted 13 comparable sales for the Board's consideration which includes one comparable common to both parties. The Board gave less weight to appellant's comparables #1 through #5 due to their larger dwelling sizes when compared to the subject. The Board also gave less weight to the board of review comparables #1, #3, #5 and #6 which sold in 2018, not as proximate in time to the January 1, 2017 assessment date as other sales in the record.

The Board finds the best evidence of market value to be the parties' remaining comparable sales in the record which includes the parties' common comparable as they are more similar to the subject in dwelling size, location, design, age and most features. These comparables sold from May 2016 to June 2017 for prices ranging from \$556,000 to \$590,000 or from \$189.20 to \$210.58 per square foot of living area, including land. The subject's assessment reflects a market

¹ Board of review comparable #8 and appellant's comparable #6 are the same property.

value of \$578,012 or \$198.02 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering adjustments to the comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this record, the Board finds that no reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
