

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Darice Hastings
DOCKET NO.: 17-02832.001-R-1
PARCEL NO.: 05-22-401-158

The parties of record before the Property Tax Appeal Board are Darice Hastings, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$6,798
IMPR.: \$48,137
TOTAL: \$54,935

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a part one-story and a part two-story townhome of wood siding exterior construction with 1,732 square feet of living area. The dwelling was constructed in 2004. Features of the home include a full basement with finished area, central air conditioning and a 416 square foot garage. The property is located in Grant Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within the same neighborhood as the subject and within .17 of a mile of the subject. The comparables are described as part one-story and part two-story townhomes of wood siding exterior construction with each containing 1,732 square feet of living area. The dwellings were constructed in 2003 or 2006. One comparable has an unfinished basement and two comparables have concrete slab foundations. Each comparable has central air conditioning and a 416 square foot garage. One comparable has

a fireplace. The comparables sold from February 2016 to March 2017 for prices ranging from \$140,000 to \$150,000 or from \$80.83 to \$86.61 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's total assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$54,935. The subject's assessment reflects a market value of \$165,716 or \$95.68 per square foot of living area, land included, when using the 2017 three-year average median level of assessment for Lake County of 33.15% as determined by the Illinois Department of Revenue.

In support of the subject's assessment, the board of review submitted information on four comparable sales located within the same subdivision as the subject and within .131 of a mile of the subject. Board of review comparable #4 is the same property as appellant's comparable #1. The comparables are described as part one-story and part two-story townhomes of wood siding exterior construction containing 1,656 or 1,732 square feet of living area. The dwellings were constructed in 2003 or 2004. Each comparable has a basement, with two having finished area; central air conditioning and a 416 or a 439 square foot garage. One comparable has a fireplace. The comparables sold from January 2015 to December 2017 for prices ranging from \$142,000 to \$185,000 or from \$81.99 to \$111.71 per square foot of living area, including land. Based on this evidence, the board of review requested that the subject property's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the parties submitted six comparable sales to support their respective positions, with one comparable common to both parties. The appellant's comparables #2 and #3 lack basements unlike the subject and therefore, were given less weight by the Board. The Board also gave less weight to board of review comparable #3 as it sold in January 2015 which is less proximate in time to the January 1, 2017 assessment date and less likely to be reflective of market value. The Board finds the best evidence of the subject's market value to be the parties' common comparable and board of review comparables #1 and #2. These comparables are similar to the subject in location, dwelling size, design, age and features. They sold from March to December 2017 for prices ranging from \$145,000 to \$185,000 or from \$83.72 to \$111.71 per square foot of living area, including land. The subject's assessment reflects a market value of \$165,716 or \$95.68 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record. After considering any necessary adjustments to the comparables for differences, when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this record, the Board finds the appellant failed to prove by a preponderance of the evidence that the subject was overvalued. Therefore, a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
