

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Imelda Oropeza
DOCKET NO.: 17-02834.001-R-1
PARCEL NO.: 05-25-306-001

The parties of record before the Property Tax Appeal Board are Imelda Oropeza, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$10,637
IMPR.: \$53,988
TOTAL: \$64,625

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 1,636 square feet of living area. The dwelling was built in 2001. Features of the home include an unfinished basement, central air conditioning and a 388 square foot attached garage. The subject has a 6,639 square foot site and is located in Grant Township, Lake County, Illinois.

The appellant submitted evidence before the Property Tax Appeal Board claiming overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales located within .61 of a mile of the subject property. The comparables consist of two-story dwellings of wood siding exterior construction that were built from 1999 to 2001 on sites ranging in size from 5,968 to 10,777 square feet of land area. The dwellings range in size from 1,620 to 1,730 square feet of living area. The comparables have unfinished basements, central air conditioning and attached garages ranging in size from 388 to 440 square

feet of building area. One comparable has a fireplace. The comparables sold from March 2016 to April 2017 for prices ranging from \$173,000 to \$195,000 or from \$106.79 to \$113.11 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$64,625. The subject's assessment reflects an estimated market value of \$194,947 or \$119.16 per square foot of living area, including land, when applying the 2017 three-year average median level of assessment for Lake County of 33.15%.

In support of the subject's assessment, the board of review submitted information on three comparable sales located within .63 of a mile of the subject. The comparables consist of two-story dwellings of wood siding exterior construction that were built from 2001 to 2003 on sites ranging in size from 6,042 to 7,627 square feet of land area. The dwellings range in size from 1,604 to 1,638 square feet of living area. Each comparable has a basement, with two having finished area; central air conditioning and a garage with 400 or 420 square feet of building area. One comparable has a fireplace. The comparables sold from May 2016 to March 2017 for prices ranging from \$189,999 to \$237,000 or from \$118.45 to \$144.69 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The parties submitted seven suggested comparable sales for the Board's consideration. The Board gave less weight to board of review comparables #1 and #3 as both have finished basement area unlike the subject.

The Board finds the best evidence of the subject's market value to be the appellant's comparables and the board of review comparable #2 which are similar to the subject in location, lot size, design, dwelling size, age and features. The comparables sold from March 2016 to April 2017 for prices ranging from \$173,000 to \$199,000 or from \$106.79 to \$123.14 per square foot of living area, including land. The subject's assessment reflects an estimated market value of \$194,947 or \$119.16 per square foot of living area including land, which falls within the range established by the best comparables sales in the record. After considering adjustments to the comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this record the Board finds the appellant failed to prove by a preponderance of the evidence that the subject was overvalued. Therefore, a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
