

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Lisa Closterides
DOCKET NO.: 17-02841.001-R-1
PARCEL NO.: 05-11-202-005

The parties of record before the Property Tax Appeal Board are Lisa Closterides, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$55,108
IMPR.: \$41,525
TOTAL: \$96,633

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of brick exterior construction with 1,872 square feet of living area. The dwelling was constructed in 1964. Features of the home include a crawl space foundation, central air conditioning, one fireplace and a 440 square foot detached garage. The property has a 19,911 square foot site and is located in Ingleside, Grant Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument submitted information on three comparable sales with varying degrees of similarities to the subject in location, design, age, dwelling size and features. The comparables sold from July 2015 to April 2016 for prices ranging from \$190,000 to \$325,000 or from \$119.80 to \$140.57 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction of the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$96,633. The subject's assessment reflects a market value of \$291,502 or \$155.72 per square foot of living area, land included, when using the 2017 three year average median level of assessment for Lake County of 33.15% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review argued the Property Tax Appeal Board issued a decision pertaining to the subject property for the prior 2015 tax year under Docket Number 15-02688.001-R-1. In that appeal, the Property Tax Appeal Board issued a decision based on agreement between the parties lowering the subject's assessment to \$94,839. The board of review argued that if the subject's assessment for the 2017 tax year was calculated by applying the 2016 and 2017 equalization factors of 1.0716 and 1.0934 to the Property Tax Appeal Board's 2015 decision, as provided by section 16-185 of the Property Tax Code (35 ILCS 200/16-185), the subject's 2017 assessment would be \$111,121 which is equal to the subject's current assessment of \$111,121.

The board of review also submitted information on three comparable sales with varying degrees of similarities to the subject in location, design, age, dwelling size and features. The comparables sold in September 2015 or October 2016 for prices ranging from \$190,000 to \$325,000 or from \$217.589 to \$229.52 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The Property Tax Appeal Board finds the subject property was the matter of an appeal before the Board for the 2015 tax year under Docket Number 15-02688.001-R-1. In that appeal, the Property Tax Appeal Board rendered a decision reducing the subject's assessment to \$94,839 based on evidence submitted by the parties. The Property Tax Appeal Board takes notice that Lake County's quadrennial general assessment period began in the 2015 tax year and continues through the 2018 tax year. The Board further finds section 16-185 of the Property Tax Code is controlling in this appeal. (35 ILCS 200/16-185).

Section 16-185 of the Property Tax Code provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review. (35 ILCS 200/16-185)

The Board finds this record disclosed the subject property is an owner-occupied residence and the 2015 through 2018 tax years are within the same general assessment period. The Board finds

the record shows that 2016 and 2017 equalization factors of 1.0716 and 1.0934 were applied in Grant Township. The record contains no evidence showing the Board's 2015 decision was reversed or modified upon review and there was no evidence that the subject property sold in an arm's-length transaction establishing a different fair cash value. Applying section 16-185 of the Property Tax Code (35 ILCS 200/16-185) to the Board's prior 2015 decision results in an assessment of \$111,121 ($\$94,839 \times 1.0716 \times 1.0934 = \$111,121$), which is greater than the 2017 assessment of the subject property of \$96,633. Since the board of review requested confirmation of the subject's assessment, the Property Tax Appeal Board finds that no increase in the subject's assessment is justified in this appeal.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
