

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Barry C. Weitzenfeld  
DOCKET NO.: 17-02867.001-R-1  
PARCEL NO.: 06-18-416-015

The parties of record before the Property Tax Appeal Board are Barry C. Weitzenfeld, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$2,833  
**IMPR.:** \$ 0  
**TOTAL:** \$2,833

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 4,594 square foot vacant residential lot that is located in Round Lake Beach, Avon Township, Lake County, Illinois.

The appellant submitted evidence before the Property Tax Appeal Board claiming overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparable sales located from .41 to 2.18 miles from the subject. Comparable #1 is a vacant residential lot located within the subject neighborhood. The vacant residential lots contain from 5,227 to 6,970 square feet of land area. The comparables sold from June 2016 to April 2017 for prices ranging from \$5,225 to \$8,500 and for \$1.00 or \$1.48 per square foot of land area. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$2,833. The subject's assessment reflects an estimated market value of \$8,546 or \$1.86 per square foot of land area when applying the 2017 three-year average median level of assessment for Lake County of 33.15% as determined by the Illinois Department of Revenue.

In support of the subject's assessment, the board of review submitted information on three comparable sales located from 1.24 to 1.884 miles from the subject. The vacant residential lots contain from 5,000 to 5,375 square feet of land area. The comparables sold from August 2016 to September 2017 for prices ranging from \$9,000 to \$13,000 or from \$1.67 to \$2.60 per square foot of land area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation as a basis of the appeal. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant failed to meet this burden of proof.

The parties submitted the seven comparable sales for the Board's consideration. These comparables sold from June 2016 to September 2017 for prices ranging from \$5,225 to \$13,000 or from \$1.00 to \$2.60 per square foot of land area. The subject's assessment reflects an estimated market value of \$8,546 or \$1.86 per square foot of land area, which falls within the range established by the comparable sales contained in the record. After considering adjustments to the comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Therefore, no reduction in the subject's land assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
