

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Peter & Debby Riskind  
DOCKET NO.: 17-03118.001-R-1  
PARCEL NO.: 16-20-407-002

The parties of record before the Property Tax Appeal Board are Peter & Debby Riskind, the appellants, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$87,713  
**IMPR.:** \$188,439  
**TOTAL:** \$276,152

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellants timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling of brick exterior construction with 3,931 square feet of living area. The dwelling was constructed in 1970. Features of the home include a basement with finished area, central air conditioning, a fireplace and an 858 square foot attached garage. No site size was disclosed for the subject property, which is located in Deerfield, West Deerfield Township, Lake County.

The appellants contend overvaluation as the basis of the appeal. In support of this argument the appellants submitted information on three comparable sales located within 2.0 miles from the subject property. The comparables are improved with one-story dwellings of brick or wood siding exterior construction that range in size from 2,704 to 3,866 square feet of living area. The homes were built from 1968 to 1979. The comparables have basements, one with finished area; central air conditioning; one or two fireplaces and attached garages that range in size from 506 to

552 square feet of building area. Two of the comparables have inground swimming pools. The comparables sold from September 2015 to August 2016 for prices that range from \$480,000 to \$629,850 or from \$126.75 and \$177.51 per square foot of living area, land included. Based on this evidence, the appellants requested the subject's assessment be reduced to \$205,062.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$276,152. The subject's assessment reflects a market value of \$833,038 or \$211.92 per square foot of living area, land included, when using the 2017 three year average median level of assessment for Lake County of 33.15% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on six comparable sales located within 2.0 miles from the subject property. The comparables are improved with 1.5 and 2-story dwellings of brick exterior construction that range in size from 3,684 to 4,140 square feet of living area. The homes were built from 1966 to 1974. The comparables have basements, two with finished area; central air conditioning; one fireplace and attached garages that range in size from 529 to 1,382 square feet of building area. The comparables sold from April 2016 to July 2018 for prices ranging from \$780,600 to \$1,050,000 or from \$198.93 to \$253.62 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine comparables for the Board's consideration. The comparables have varying degrees of similarity when compared to the subject in location, design, age, dwelling size and features. The Board gives little weight to the appellants' comparables #1 and #2 as each of these comparables include an inground swimming pool which the subject lacks. The Board gives less weight to the board of review comparables #1, #2 and #4 due to 2018 sale date which is less indicative of fair market value as of the subject's January 1, 2017 assessment date. The Board finds the best evidence of market value to be appellants' comparable sale #3 and board of review comparable sales #3, #5 and #6 which have dwelling sizes generally similar to the subject. These most similar comparables sold from September 2015 to June 2017 for prices ranging from \$629,850 to \$1,050,000 or from \$165.23 to \$253.62 per square foot of living area, including land. The subject's assessment reflects a market value of \$833,038 or \$211.92 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. After considering adjustments to comparables for differences with the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
