

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joseph Reinstein
DOCKET NO.: 17-03136.001-R-1
PARCEL NO.: 16-14-403-016

The parties of record before the Property Tax Appeal Board are Joseph Reinstein, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$119,990
IMPR.: \$205,956
TOTAL: \$325,946

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 5,128 square feet of living area. The dwelling was constructed in 1929 and has an effective age of 1936. Features of the home include a partial unfinished basement, three fireplaces and a 441 square foot attached garage. The property has a 18,378 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on three equity comparables located within .49 of a mile from the subject. The comparables are described as two-story dwellings of wood siding or brick exterior construction ranging in size from 4,112 to 5,394 square feet of living area. The dwellings were built from 1920 to 1926 and have effective ages from 1925 to 1940. The comparables each have a basement with one having finished area,

central air conditioning, two fireplaces and a garage ranging in size from 462 to 832 square feet of building area. Appellant's comparable #2 has a 648 square foot inground swimming pool. The comparables have improvement assessments ranging from \$135,021 to \$182,882 or from \$32.84 to \$35.90 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$325,946. The subject property has an improvement assessment of \$205,956 or \$40.16 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located within .787 of a mile from the subject. The comparables consist of two-story dwellings of wood siding or brick exterior construction ranging in size from 4,422 to 4,790 square feet of living area. The dwellings were constructed from 1895 to 1930 and have effective ages from 1929 to 1943. The comparables each have a basement with one having finished area, central air conditioning, one to five fireplaces and a garage ranging in size from 441 to 1,630 square feet of building area. Comparable #3 has an 800 square foot inground swimming pool and a tennis court. The comparables have improvement assessments ranging from \$203,212 to \$229,185 or from \$43.23 to \$51.83 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The parties submitted seven equity comparables for the Board's consideration with varying degrees of similarity to the subject in location, dwelling size, design, age and features. The Board gave less weight to the appellant's comparables due to their smaller dwelling size or superior features such as finished basement area or an inground swimming pool when compared to the subject. The Board also gave less weight to board of review comparables #2 and #3 as they have features such as finished basement area, an inground swimming pool and a tennis court unlike the subject.

The Board finds the best evidence of assessment equity to be board of review comparables #1 and #4. The Board recognizes both comparables have superior central air conditioning and one comparable has a larger garage feature when compared to the subject. The comparables have improvement assessments of \$203,212 and \$229,185 or \$43.23 and \$51.83 per square foot of living area. The subject has an improvement assessment of \$205,956 or \$40.16 per square foot of living area. After considering adjustments to the comparables for differences in features such

as finished basement area and garages when compared to the subject, the Board finds the subject's improvement assessment is supported. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and no reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
