

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Steve Amiel  
DOCKET NO.: 17-03189.001-R-1  
PARCEL NO.: 16-36-307-006

The parties of record before the Property Tax Appeal Board are Steve Amiel, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$92,153  
**IMPR.:** \$209,983  
**TOTAL:** \$302,136

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of stone exterior construction with 4,657 square feet of living area. The dwelling was constructed in 1965. Features of the home include a finished basement, central air conditioning, two fireplaces and a 768 square foot attached garage. The property has a 18,190 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 1.20 miles from the subject property. The comparables have sites that range in size from 12,182 to 17,404 square feet of land area and are improved with two-story dwellings of brick exterior construction that have 4,398 or 4,781 square feet of living area. The homes were built from 1963 to 1968. Each comparable has a finished basement, central air conditioning, one or three fireplaces and attached

garage that range in size from 546 to 801 square feet of building area. The comparables sold from May 2016 to January 2017 for prices that range from \$592,000 to \$820,000 or from \$123.82 to \$179.63 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$245,765.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$302,136. The subject's assessment reflects a market value of \$911,421 or \$195.71 per square foot of living area, land included, when using the 2017 three year average median level of assessment for Lake County of 33.15% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within 1.36 miles from the subject property. The comparables have sites that range in size from 13,888 to 19,919 square feet of land area that are improved with two-story dwellings of brick or Dryvit exterior construction that range from 3,559 to 5,033 square feet of living area. The homes were built from 1931 to 1984. Each comparable has a basement, two with finished area; central air conditioning; one or two fireplaces and attached garage that range in size from 460 to 735 square feet of building area. The comparables sold from April 2016 to June 2016 for prices that range from \$900,000 to \$1,175,000 or from \$205.37 to \$252.88 per square foot of living area, land included.

The board of review also submitted a Multiple Listing Service sheet associated with the appellant's comparable #1 that described the property as needing remodeling, having non-functioning plumbing and noted the property would not qualify for financing. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted six comparables for the Board's consideration. The Board gives least weight to the appellant's comparable #1 which was determined to be in inferior condition relative to other comparables. The Board gives little weight to the board of review comparable #1 due to smaller dwelling size and older age. The Board finds the best evidence of market value to be appellant's comparable sales #2 and #3 and board of review comparable sales #2 and #3 which are considered most similar in dwelling size, age and features. These most similar comparables sold from April 2016 to January 2017 for prices ranging from \$790,000 to \$1,175,000 or from \$171.51 to \$233.46 per square foot of living area, including land. The subject's assessment reflects a market value of \$911,421 or \$195.71 per square foot of living area, including land, which fall within the range established by the best comparable sales in this record. After considering adjustments to the comparables for differences with the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
