

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: David Brown
DOCKET NO.: 17-03498.001-R-1
PARCEL NO.: 08-16-319-011

The parties of record before the Property Tax Appeal Board are David Brown, the appellant; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 4,510
IMPR.: \$18,885
TOTAL: \$23,395

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of wood siding exterior construction that has 1,109 square feet of living area. The dwelling was built in 1930. The home features an unfinished basement and a 360 square foot garage. The subject property has a 4,737 square foot site. The subject property is located in Waukegan Township, Lake County.

The appellant submitted evidence before the Property Tax Appeal Board claiming overvaluation as the basis of the appeal. In support of this argument, the appellant submitted three comparable sales located from .01 to .51 of a mile from the subject. The comparables consist of one-story dwellings of brick or wood siding exterior construction that were built from 1920 to 1930. The comparables have unfinished basements; two comparable have central air conditioning; two comparables have a fireplace; and two comparables have garages that contain 216 and 528 square feet of building area. The dwellings range in size from 1,097 to 1,134 square feet of living area and are situated on sites that range in size from 4,661 to 6,400 square feet of land

area. The comparables sold from February 2014 to October 2016 for prices ranging from \$33,000 to \$49,001 or from \$29.10 to \$44.30 per square foot of living area including land. The comparables were classified as “unqualified” transactions with two sales being foreclosures. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's final assessment of \$23,395. The subject's assessment reflects an estimated market value of \$70,573 or \$63.64 per square foot of living area including land when applying the 2017 three-year average median level of assessment for Lake County of 33.15% as determine by the Illinois Department of Revenue.

In support of the subject's assessment, the board of review submitted five comparable sales located within .421 of a mile of the subject. The comparables consist of one-story dwellings of brick or wood siding exterior construction that were built from 1910 to 1954. Four comparables have unfinished basements and one comparable does not have a basement. Two comparables have central air conditioning and four comparables have a garage that range in size from 220 to 528 square feet of building area. The dwellings range in size from 944 to 1,257 square feet of living area and are situated on sites that contain from 5,557 to 11,002 square feet of land area. The comparables sold from September 2017 to August 2018 for prices ranging from \$85,000 to \$121,500 or from \$81.26 to \$116.53 per square foot of living area including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant failed to meet this burden of proof and no reduction in the subject's assessment is warranted.

The parties submitted eight comparable sales for the Board's consideration. The Board gave less weight to the comparables submitted by the appellant. Comparables #2 and #3 sold in 2014 and 2015, which are dated in relation to the subject's January 1, 2017 assessment date to be considered indicative of market value. In addition, the comparables were characterized as “unqualified” sales which calls into question the arm's-length nature of the transactions and further detracts the weight of this evidence. The Board gave less weight to board of review comparables #1, #2 and #4 due to their newer age and/or sales occurring 2018, well after the subject's assessment date to be considered reflective of market value. The Board finds the remaining two comparables submitted by the board of review are more similar when compared to the subject in location, land area, design, age, dwelling size and features. These comparables sold in September and December of 2017 for prices of \$85,000 and \$110,000 or \$81.26 and \$87.51 per square foot of living area including land. The subject's assessment reflects an estimated market value of \$70,573 or \$63.64 per square foot of living area including land, which is well below the two most similar comparable sales contained in the record. After considering any necessary adjustments to the comparables for differences when compared to the subject, the

Docket No: 17-03498.001-R-1

Board finds the subject's estimated market value as reflected by its assessment is supported. Therefore, no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
