

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jeramy Fisher
DOCKET NO.: 17-03540.001-R-1
PARCEL NO.: 11-29-313-007

The parties of record before the Property Tax Appeal Board are Jeramy Fisher, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$54,588
IMPR.: \$145,107
TOTAL: \$199,695

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 3,385 square feet of living area. The dwelling was constructed in 1998. Features of the home include an unfinished full basement, central air conditioning, a fireplace and a 611 square foot attached garage. The property has an 11,262 square foot site and is located in Vernon Hills, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.94 of a mile from the subject property. The comparable parcels range in size from 10,012 to 12,420 square feet of land area and are improved with two-story dwellings of brick or wood siding exterior construction that range in size from 3,610 to 3,759 square feet of living area. Each comparable has an unfinished full basement, central air conditioning, one fireplace and attached garage that range in

size from 630 to 696 square feet of building area. The comparables sold from June 2016 to February 2017 for prices ranging from \$510,000 to \$540,000 or from \$136.25 to \$147.09 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$160,599.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$199,695. The subject's assessment reflects a market value of \$602,398 or \$177.96 per square foot of living area, land included, when using the 2017 three year average median level of assessment for Lake County of 33.15% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on six comparable sales located within 0.98 of a mile from the subject property. The comparable parcels range in size from 10,639 to 17,822 square feet of land area that are improved with two-story dwellings of brick or wood siding exterior construction that range from 3,088 to 3,607 square feet of living area. Each comparable has an unfinished basement, central air conditioning and a garage ranging in size from 532 to 667 square feet of building area. Five comparables each have one or three fireplaces. The comparables sold from June 2016 to June 2017 for prices ranging from \$547,000 to \$616,000 or from \$169.81 to \$190.12 per square foot of living area, land included.

The board of review also submitted a Multiple Listing Service sheet for the subject property which provided a description of the subject condition as updated and included a July 2018 sale price of \$605,000. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine comparables for the Board's consideration. The comparables have a high degree of similarity when compared to the subject in terms of location, design and features. The Board gives least weight to the appellant's comparables #1 and #3 along with board of review comparables #3 and #6 for differences in dwelling size compared to other comparables. The Board also gives less weight to board of review comparable #5 for newer age and larger site size. The Board finds the best evidence of market value to be appellant's comparable #2 and board of review comparables #1, #2 and #3 which are more similar in dwelling and site size when compared to the subject. These most similar comparables sold from June 2016 to June 2017 for prices ranging from \$531,000 to \$616,000 or from \$147.09 to \$190.12 per square foot of living area, including land. The subject's assessment reflects a market value of \$602,398 or \$177.96 per square foot of living area, including land, which is within the range established by

the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
