

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Pratibha Murli  
DOCKET NO.: 17-03624.001-R-1  
PARCEL NO.: 11-32-107-014

The parties of record before the Property Tax Appeal Board are Pratibha Murli, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$54,588  
**IMPR.:** \$136,738  
**TOTAL:** \$191,326

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of brick exterior construction with 3,321 square feet of living area. The dwelling was constructed in 1999. Features of the home include an unfinished full basement, central air conditioning, a fireplace and a 649 square foot attached garage. The property has a 11,037 square foot site and is located in Vernon Hills, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 1.47 miles from the subject property. The comparables have parcels that range in size from 10,012 to 16,482 square feet of land area and are improved with two-story dwellings of brick or wood siding exterior construction that range in size from 3,087 to 3,743 square feet of living area. The homes were built from 1998 to 2003. Each comparable has an unfinished basement, central air conditioning,

one fireplace and an attached garage that range in size from 441 to 696 square feet of building area. The comparables sold from June 2016 to February 2017 for prices ranging from \$460,000 to \$520,000 or from \$136.25 to \$149.01 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$157,843.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$191,326. The subject's assessment reflects a market value of \$577,152 or \$173.79 per square foot of living area, land included, when using the 2017 three year average median level of assessment for Lake County of 33.15% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on six comparable sales located within 0.71 of a mile from the subject property. The comparables have parcels that range in size from 9,900 to 12,434 square feet of land area and are improved with two-story dwellings of brick or wood siding exterior construction that range in size from 3,088 to 3,333 square feet of living area. The homes were built from 1997 to 2000. Each comparable has an unfinished basement, central air conditioning and an attached garage that range in size from 532 to 667 square feet of building area. Five of the comparables each have one fireplace. The comparables sold from June 2015 to June 2017 for prices ranging from \$547,000 to \$620,000 or from \$174.40 to \$196.45 per square foot of living area, land included. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #2 which are located more than one mile from the subject and are also newer in age. The Board gives little weight to the board of review comparables #5 and #6 which have sale dates in 2015 that are considered to be less indicative of fair market value as of the subject's January 1, 2017 assessment date. The Board finds the best evidence of market value to be the appellant's comparable #3 along with board of review comparable sales #1 through #4 which are more similar to the subject in location, age, dwelling size and most features. These most similar comparables sold from June 2016 to June 2017 for prices ranging from \$520,000 to \$587,500 or from \$142.50 to \$178.81 per square foot of living area, including land. The subject's assessment reflects a market value of \$577,152 or \$173.79 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering adjustments to the comparables for differences with the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
