

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Daniel Mendelson
DOCKET NO.: 17-03643.001-R-1
PARCEL NO.: 16-29-304-023

The parties of record before the Property Tax Appeal Board are Daniel Mendelson, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$46,885
IMPR.: \$135,563
TOTAL: \$182,448

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 2,380 square feet of living area. The dwelling was constructed in 1984. Features of the home include an unfinished partial basement, central air conditioning, a fireplace and a 483 square foot garage. The property is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.18 of a mile from the subject property. The comparable sites are improved with two-story dwellings of brick exterior construction that have 2,375 or 2,586 square feet of living area. The homes were built in 1978 or 1979. Each comparable has an unfinished basement, central air conditioning and an attached garage that has 506 or 515 square feet of building area. One of the comparables has a fireplace. The comparables sold from June 2015 to May 2017 for prices ranging from \$434,000 to

\$562,500 or from \$182.74 to \$217.52 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$162,855.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$182,448. The subject's assessment reflects a market value of \$550,371 or \$231.25 per square foot of living area, land included, when using the 2017 three year average median level of assessment for Lake County of 33.15% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on seven comparable sales located within approximately 0.40 of a mile from the subject property where board of review comparable #5 is the same property as the appellant's comparable #2. The comparable sites are improved with two-story dwellings of brick or wood siding exterior construction that range in size from 2,266 to 2,586 square feet of living area. The homes were built from 1975 to 1989. The comparables have basements, three with finished area; central air conditioning; one fireplace and a garage that ranges in size from 441 to 528 square feet of building area. The comparables sold from March 2016 to May 2018 for prices that range from \$557,500 to \$650,000 or from \$215.58 to \$267.05 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine comparables for the Board's consideration with one common property presented by both parties. The Board gives little weight to the appellant's comparable #1 along with board of review comparables #1 and #4 due to sale dates in 2015 or 2018, considered less indicative of fair market value as of the subject January 1, 2017 assessment date. The Board gives reduced weight to board of review comparables #2 and #3 due to their finished basement area which the subject lacks.

The Board finds the best evidence of market value to be appellant's comparable #2/board of review #5, appellant comparable #3 and board of review comparables #6 and #7. These comparables are more similar to the subject property in terms of location, dwelling size, most features and have sales dates considered more indicative of fair market value as of the subject's January 1, 2017 assessment date. These most similar comparables sold from April 2016 to August 2017 for prices ranging from \$557,500 to \$595,000 or from \$215.58 to \$255.96 per square foot of living area, including land. The subject's assessment reflects a market value of \$550,371 or \$231.25 per square foot of living area, including land, which is below the overall value range and within the price per square foot range established by the best comparable sales in this record. After considering adjustments to comparables for differences with the subject property, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
