

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Julia Chen  
DOCKET NO.: 17-03698.001-R-1  
PARCEL NO.: 11-28-306-005

The parties of record before the Property Tax Appeal Board are Julia Chen, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$54,588  
**IMPR.:** \$153,114  
**TOTAL:** \$207,702

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of brick exterior construction with 3,311 square feet of living area. The dwelling was constructed in 2001. Features of the home include an unfinished full basement, central air conditioning, a fireplace and a 623 square foot attached garage. The property has a 12,494 square foot site and is located in Vernon Hills, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within approximately 1.2 miles from the subject property. The comparables have sites that range in size from 10,033 to 12,420 square feet of land area and are improved with two-story dwellings of brick exterior construction that range in size from 3,087 to 3,759 square feet of living area. The homes were built from 1998 to 2002. Each comparable has an unfinished basement, central air conditioning,

one fireplace and an attached garage that ranges in size from 625 to 649 square feet of building area. The comparables sold from June 2016 to October 2016 for prices that range from \$460,000 to \$540,000 or from \$143.66 to \$149.01 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$161,782.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$207,702. The subject's assessment reflects a market value of \$626,552 or \$189.23 per square foot of living area, land included, when using the 2017 three year average median level of assessment for Lake County of 33.15% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on eight comparable sales located within approximately 0.95 of a mile from the subject property. The comparables have sites that range in size from 9,783 to 19,131 square feet of land area that are improved with two-story dwellings of brick or wood siding exterior construction that range in size from 2,816 to 3,607 square feet of living area. The homes were built from 2000 to 2003. Each comparable has an unfinished basement, central air conditioning and a garage that ranges in size from 430 to 688 square feet of building area. Five comparables have one fireplace each and one comparable has three fireplaces. The comparables sold from June 2015 to June 2017 for prices ranging from \$473,000 to \$650,000 or from \$167.97 to \$215.52 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eleven comparables for the Board's consideration. The Board gives reduced weight to board of review comparable #4 due to sale date in 2015 considered less indicative of fair market value for the subject's January 1, 2017 assessment date. The Board gives little weight to the board of review comparables #1, #3 and #6 for differences in site size when compared to the subject. The Board gives less weight to the appellant's comparable #3 along with board of review comparables #2 due to differences in dwelling size when compared to the subject. The Board finds the best evidence of market value to be appellant's comparables #1 and #2 as well as board of review comparables #5, #7 and #8 which are more similar to the subject in terms of site size, dwelling size and most features. These most similar comparables sold from June 2016 to May 2017 for prices ranging from \$460,000 to \$650,000 or from \$147.09 to \$215.52 per square foot of living area, including land. The subject's assessment reflects a market value of \$626,552 or \$189.23 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering adjustments to comparables for differences with the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
