

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jeanne Haase
DOCKET NO.: 17-03700.001-R-1
PARCEL NO.: 11-11-303-023

The parties of record before the Property Tax Appeal Board are Jeanne Haase, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$67,451
IMPR.: \$78,762
TOTAL: \$146,213

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,214 square feet of living area. The dwelling was constructed in 1980. Features of the home include an unfinished partial basement, central air conditioning, a fireplace, a 483 square foot attached garage and a 520 square foot detached garage. The property has a 39,233 square foot site and is located in Green Oaks, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.81 of a mile from the subject property. The comparables have sites that range in size from 38,293 to 43,702 square feet of land area and are improved with two-story dwellings of brick and wood siding exterior construction that range in size from 2,232 to 2,600 square feet of living area. The homes were built from 1973 to 1988. Each comparable has an unfinished basement, central air conditioning,

one or two fireplaces and an attached garage that have 420 or 600 square feet of building area. The comparables sold from August 2015 to May 2017 for prices that range from \$249,000 to \$453,000 or from \$111.56 to \$174.23 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$108,832.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$146,213. The subject's assessment reflects a market value of \$441,065 or \$199.22 per square foot of living area, land included, when using the 2017 three year average median level of assessment for Lake County of 33.15% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review argued the Property Tax Appeal Board's issued decision pertaining to the subject property for the prior 2016 tax year under Docket Number 16-03736.001-R-1. In that appeal, the Property Tax Appeal Board issued a decision based on an agreement between the parties lowering the subject's assessment to \$139,985. The board of review argued the subject's 2017 assessment reflects the Property Tax Appeal Board's 2016 decision plus application of the 2017 equalization factor of 1.0547 as provided by section 16-185 of the Property Tax Code. (35 ILCS 200/16-185).

The board of review also submitted three suggested comparable sales in further support of its assessment of the subject property. The comparables have varying degrees of similarity when compared to the subject in location, design, age, dwelling size and features. The comparables sold from August 2015 to July 2016 for prices ranging from \$395,000 to \$658,000 or from \$156.62 to \$233.09 per square foot of living area including land.

In rebuttal, the board of review provided a Multiple Listing Service sheet associated with the appellant's comparable sale #2 which describes the property in "as is condition" and with close proximity to Interstate-94. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The Property Tax Appeal Board finds the subject property was the matter of an appeal before this Board for a prior tax year under Docket Numbers 16-03736.001-R-1. In that appeal, the Property Tax Appeal Board rendered a decision lowering the subject's assessment to \$139,985 based on an agreement by the parties. The Property Tax Appeal Board takes notice that Lake County's quadrennial general assessment period began in the 2015 tax year and continues through the 2018 tax year. The Board further finds section 16-185 of the Property Tax Code is controlling in this appeal. (35 ILCS 200/16-185).

Section 16-185 of the Property Tax Code provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction

establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review. (35 ILCS 200/16-185)

The Board finds this record disclosed the subject property is an owner-occupied residence and the 2015 through 2018 tax years are within the same general assessment period. The Board finds the record shows a 1.0547 equalization factor was issued in Libertyville Township for the 2017 tax year. The record contains no evidence showing the Board's 2016 decision was reversed or modified upon review and there was no evidence the subject property sold in an arm's-length transaction establishing a different fair cash value. Applying section 16-185 of the Property Tax Code (35 ILCS 200/16-185) to the Board's prior 2016 decision results in an assessment of \$147,642. ($\$139,985 \times 1.0547 = \$147,642$). The subject's final 2017 assessment as established by the board of review was \$146,213 which is below the 2016 decision of the Property Tax Appeal Board plus application of the 2017 equalization factor. However, the board of review did not request an increase in the subject's assessment. Based on this record, the Property Tax Appeal Board finds no change in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
