

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mark Palmer
DOCKET NO.: 17-03736.001-R-1
PARCEL NO.: 04-10-120-021

The parties of record before the Property Tax Appeal Board are Mark Palmer, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$11,842
IMPR.: \$64,303
TOTAL: \$76,145

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of wood siding exterior construction with 2,202 square feet of living area. The dwelling was constructed in 1978. Features of the home include an unfinished full basement, central air conditioning, a fireplace, 110 square foot enclosed porch and a 506 square foot attached garage. The property has a 29,247 square foot site and is located in Winthrop Harbor, Benton Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 1.10 miles from the subject property. The comparables have sites that range in size from 17,424 to 23,128 square feet of land area and are improved with one-story dwellings of brick exterior construction that range in size from 1,944 to 2,045 square feet of living area. The homes were built from 1977 to 1988. Each of the comparables has an unfinished basement, central air conditioning, one or two

fireplaces and an attached garage that has 528 or 576 square feet of building area. The comparables sold from October 2015 to February 2017 for prices ranging from \$134,000 to \$187,000 or from \$68.93 to \$91.44 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$59,657.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$76,145. The subject's assessment reflects a market value of \$229,698 or \$104.31 per square foot of living area, land included, when using the 2017 three year average median level of assessment for Lake County of 33.15% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within approximately 0.16 of a mile from the subject property. The comparables have sites that range in size from 16,907 to 20,908 square feet of land area and are improved with one-story dwellings of brick exterior construction that range in size from 2,152 to 2,366 square feet of living area. The homes were built in 1978 or 1979. Each comparable has an unfinished basement, central air conditioning, one or two fireplaces and an attached garage that range in size from 480 to 720 square feet of building area. One comparable includes a 680 square foot enclosed porch. The comparables sold from October 2016 to February 2017 for prices ranging from \$223,000 to \$255,000 or from \$103.62 to \$109.89 per square foot of living area, land included.

The board of review included notations that indicated the appellant's comparable #1 was a bank owned sale. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted six comparables for the Board's consideration. The Board gives least weight to the appellant's comparables #1 and #3 due to bank owned sale or 2015 sale date which is considered less indicative of the subject's fair market value as of the January 1, 2017 assessment date. The Board finds the best evidence of market value to be appellant's comparable #2 along with the board of review comparable sales which are more similar to the subject in age, dwelling size and most features but have larger site sizes relative to the subject's site. These most similar comparables sold from February 2016 to February 2017 for prices ranging from \$168,000 to \$255,000 or from \$83.46 to \$115.03 per square foot of living area, including land. The subject's assessment reflects a market value of \$229,698 or \$104.31 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering adjustments to the comparables for differences with the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
