

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Radhakrishnan Nair
DOCKET NO.: 17-03778.001-R-1
PARCEL NO.: 15-09-108-019

The parties of record before the Property Tax Appeal Board are Radhakrishnan Nair, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$37,194
IMPR.: \$151,442
TOTAL: \$188,636

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,740 square feet of living area. The dwelling was constructed in 1989. Features of the home include a partial basement with finished area, central air conditioning, a fireplace and a 690 square foot attached garage. The property has a 16,261 square foot site and is located in Vernon Hills, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.20 of a mile from the subject property. The comparables have sites that range in size from 12,019 to 21,351 square feet of land area and are improved with two-story dwellings of wood siding exterior construction that range in size from 2,522 to 3,044 square feet of living area. The homes were built from 1989 to 1992. The comparables have basements, two with finished area; central air conditioning;

one fireplace and an attached garage that range in size from 441 to 504 square feet of building area. The comparables sold from October 2015 to March 2016 for prices ranging from \$509,000 to \$537,000 or from \$170.01 to \$201.82 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$169,889.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$188,636. The subject's assessment reflects a market value of \$569,038 or \$207.68 per square foot of living area, land included, when using the 2017 three year average median level of assessment for Lake County of 33.15% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on eight comparable sales located within approximately 0.33 of a mile from the subject property. The comparables have sites that range in size from 12,070 to 19,371 square feet of land area and are improved with two-story dwellings of wood siding exterior construction that range in size from 2,481 to 2,884 square feet of living area. The homes were built from 1989 to 1991. The comparables have basements with finished area, central air conditioning, on or two fireplaces and a garage that range in size from 441 to 770 square feet of building area. The comparables sold from March 2016 to June 2018 for prices ranging from \$550,000 to \$584,500 or from \$192.44 to \$221.68 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eleven comparables for the Board's consideration. The Board gives less weight to the appellant's comparable #1 along with board of review comparables #4 and #6 which have sale dates in either 2015 or 2018 that are less indicative of the subject's fair market value as of the January 1, 2017 assessment date. The Board also gives reduced weight to appellant's comparable #2 and board of review #7 and #8 which differ from the subject in site size or dwelling size.

The Board finds the best evidence of market value to be appellant's comparable #3 and board of review comparable sales #1 through #3 and #5 which are more similar in location, site size, dwelling size and most features when compared to the subject. These most similar comparables sold from February to August 2016 for prices ranging from \$537,000 to \$584,500 or from \$186.20 to \$217.04 per square foot of living area, including land. The subject's assessment reflects a market value of \$569,038 or \$207.68 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
