

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Hyun Dong Lim
DOCKET NO.: 17-03779.001-R-1
PARCEL NO.: 15-05-411-009

The parties of record before the Property Tax Appeal Board are Hyun Dong Lim, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$23,967
IMPR.: \$94,619
TOTAL: \$118,586

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,170 square feet of living area. The dwelling was constructed in 1978. Features of the home include an unfinished partial basement, central air conditioning, a fireplace and a 420 square foot attached garage. The property has an 8,625 square foot site and is located in Vernon Hills, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.42 of a mile from the subject property. The comparables have parcels that range in size from 6,550 to 10,322 square feet of land area and are improved with two-story dwellings of wood siding exterior construction that have either 2,232 or 2,347 square feet of living area. The homes were built in 1977 or 1984. Each comparable has a basement, one with finished area; central air conditioning, one fireplace

and an attached garage with either 441 or 462 square feet of building area. The comparables sold from May to September 2015 for prices ranging from \$322,500 to \$340,000 or from \$144.49 to \$150.09 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$105,956.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$118,586. The subject's assessment reflects a market value of \$357,725 or \$164.85 per square foot of living area, land included, when using the 2017 three year average median level of assessment for Lake County of 33.15% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on eight comparable sales located within approximately 0.36 of a mile from the subject property. The comparables have parcels that range in size from 6,500 to 11,312 square feet of land area and are improved with two-story dwellings of wood siding exterior construction that each have 2,232 square feet of living area. The homes were built in either 1977 or 1978. Each comparable has a basement, five with finished area; central air conditioning and a garage that has 441 square feet of building area. Three of the comparables each have one fireplace. The comparables sold from June 2016 to July 2018 for prices that range from \$390,000 to \$425,000 or from \$174.73 to \$190.41 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eleven comparables for the Board's consideration. The Board gives least weight to the appellant's comparables and board of review comparable #4 due to sale dates in 2015 or 2018 which are less indicative of the subject's fair market value as of the January 1, 2017 assessment date. The Board also gives reduced weight to the board of review comparables #1 and #5 through #8 for finished basement feature which the subject lacks. The Board finds the best evidence of market value to be the board of review comparables #2 and #3 which are more similar in dwelling size and basement features when compared to the subject. These most similar comparables sold from September 2016 to May 2017 for prices ranging from \$409,900 to \$416,500 or from \$183.65 to \$186.60 per square foot of living area, including land. The subject's assessment reflects a market value of \$357,725 or \$164.85 per square foot of living area, including land, which falls below the market value of the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
