

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jeffrey & Noreen Tennant
DOCKET NO.: 17-03791.001-R-1
PARCEL NO.: 15-18-301-012

The parties of record before the Property Tax Appeal Board are Jeffrey & Noreen Tennant, the appellants, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$66,014
IMPR.: \$254,611
TOTAL: \$320,625

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 5,475 square feet of living area. The dwelling was constructed in 1995. Features of the home include an unfinished full basement, central air conditioning, two fireplaces and a 736 square foot attached garage. The property has a 56,658 square foot site and is located in Long Grove, Vernon Township, Lake County.

The appellants contend overvaluation as the basis of the appeal. In support of this argument the appellants submitted information on three comparable sales located within 0.64 of a mile from the subject property. The comparables have sites that range in size from 38,606 to 56,296 square feet of land area and are improved with two-story dwellings of brick or Dryvit exterior construction that range in size from 4,437 to 5,924 square feet of living area. The homes were built from 1994 to 1997. Each comparable has a basement with finished area, central air

conditioning, three or five fireplaces and an attached garage that range in size from 655 to 874 square feet of building area. The comparables sold from March 2016 to May 2017 for prices ranging from \$475,000 to \$850,000 or from \$89.78 to \$160.02 per square feet of living area, land included. Based on this evidence, the appellants requested the subject's assessment be reduced to \$239,245.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$320,625. The subject's assessment reflects a market value of \$967,195 or \$176.66 per square foot of living area, land included, when using the 2017 three year average median level of assessment for Lake County of 33.15% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within approximately 1.10 miles from the subject property. The comparables have sites that range in size from 35,511 to 66,130 square feet of land area and are improved with two-story dwellings of brick exterior construction that range in size from 5,203 to 5,822 square feet of living area. The homes were built from 1990 to 1999. Each comparable has a basement with finished area, central air conditioning, three or four fireplaces and a garage that range in size from 840 to 1,344 square feet of building area. Comparable #5 also has an indoor swimming pool. The comparables sold from August 2016 to June 2018 for prices that range from \$930,000 to \$1,475,000 or from \$168.33 to \$256.66 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven comparables for the Board's consideration. The Board gives less weight to the appellant's comparable #1 as the price is an outlier in relation to the remaining sales in the record. The Board also gives little weight to the appellants' comparable #3 due to differences from the subject in dwelling size. The Board gives less weight to board of review comparables #1 and #3 due to 2018 sale dates which are considered less indicative of the subject's fair market value as of the January 1, 2017 assessment date. The Board gives less weight to board of review sale #5 due to its indoor swimming pool, larger garage and two additional fireplaces in relation to the subject property.

The Board finds the best evidence of market value to be appellants' comparable #2 along with board of review comparables #2 and 4 which are more similar in location, age, dwelling size and most features. These most similar comparables sold from July 2016 to February 2017 for prices ranging from \$850,000 to \$980,000 or from \$143.48 to \$179.83 per square foot of living area, including land. The subject's assessment reflects a market value of \$967,195 or \$176.66 per

square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering adjustments to the comparables for differences with the subject, the Board finds a preponderance of the evidence does not support a reduction in the subject's assessment.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
