

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Manish Kumar
DOCKET NO.: 17-03902.001-R-1
PARCEL NO.: 15-28-101-048

The parties of record before the Property Tax Appeal Board are Manish Kumar, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$44,081
IMPR.: \$165,825
TOTAL: \$209,906

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 3,166 square feet of living area. The dwelling was constructed in 1988. Features of the home include a partially finished full basement, central air conditioning, two fireplaces and a 704 square foot garage. Other features of the subject include a 612 square foot inground swimming pool and gazebo. The property has a 10,004 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.17 of a mile from the subject property. The comparables have sites that range in size from 10,326 to 14,183 square feet of land area and are improved with two-story dwellings of wood siding exterior construction that range in size from 2,758 to 3,166 square feet of living area. The homes were built from

1989 to 1992. Each comparable has a basement with finished area, central air conditioning, one fireplace and a garage with 420 or 704 square feet of building area. Comparable #3 has an 800 square foot inground swimming pool. The comparables sold from March to June 2016 for prices ranging from \$430,000 to \$597,000 or from \$148.79 to \$188.57 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$174,158.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$216,411. The subject's assessment reflects a market value of \$652,824 or \$206.20 per square foot of living area, land included, when using the 2017 three year average median level of assessment for Lake County of 33.15% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on seven comparable sales located within 0.98 of a mile from the subject property. Board of review comparable #3 is the same property as appellant comparable #3. The comparables have sites that range in size from 10,019 to 22,433 square feet of land area and are improved with two-story dwellings of brick or wood siding exterior construction that range in size from 2,900 to 3,330 square feet of living area. The homes were built from 1988 to 1995. Each comparable has a basement, six with finished area, central air conditioning, one or two fireplaces and garage ranging from 628 to 704 square feet of building area. Comparable #3 has an inground swimming pool like the subject. The comparables sold from April 2016 to August 2017 for prices ranging from \$585,000 to \$620,000 or from \$183.18 to \$210.34 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted nine comparables for the Board's consideration where the appellant's comparable #3 is also board of review's comparable #3. The Board gives less weight to the appellant's comparables #1 and #2 along with board of review comparables #4, #5 and #7 for differences with the subject in site size, dwelling size and/or unfinished basement compared to the subject's finished basement. The Board finds the best evidence of market value to be appellant's comparable #3/board of review comparable #3 and board of review comparables #1 and #6 which are more similar in location, site size, age, dwelling size, basement finish and most features when compared to the subject. These most similar comparables sold from April 2016 to July 2017 for prices ranging from \$597,000 to \$620,000 or from \$188.57 to \$203.64 per square foot of living area, including land. The subject's assessment reflects a market value of \$652,824 or \$206.20 per square foot of living area, including land, which is above the range established by

the best comparable sales in this record. After considering adjustments to comparables for differences with the subject, the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
