

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Terrance Moore
DOCKET NO.: 17-03912.001-R-1
PARCEL NO.: 14-31-301-056

The parties of record before the Property Tax Appeal Board are Terrance Moore, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$52,102
IMPR.: \$159,367
TOTAL: \$211,469

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior with 3,379 square feet of living area. The dwelling was constructed in 1967. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 462 square foot garage. The property has a 33,007 square foot site and is located in Barrington, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales all located in the subject's neighborhood and within one-half mile of the subject property. The comparables have sites ranging in size from 19,655 to 21,383 square feet of land area and are improved with two-story dwellings that range in size from 3,092 to 3,655 square feet of living area. The homes were built between 1966 and 1969. All comparables have unfinished basements, central air conditioning, a fireplace and attached garages ranging in size from 506 to 567 square feet of building area.

Comparables sold from August 2015 to May 2017 for prices ranging from \$540,000 to \$645,000 or from \$161.15 to \$180.98 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$194,018.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$211,469. The subject's assessment reflects a market value of \$637,916 or \$188.79 per square foot of living area, land included, when using the 2017 three year average median level of assessment for Lake County of 33.15% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on eight¹ comparable sales all located in the subject's neighborhood and within 0.40 of a mile from the subject property. The comparables have sites that range in size from 19,862 to 38,415 square feet of land area and are improved with one and one-half or two-story dwellings ranging in size from 3,153 to 3,704 square feet of living area. The comparables have basements, four with finished area²; central air conditioning, a fireplace and attached garages between 462 and 726 square feet of building area. The homes were built from 1966 to 1972. The comparables sold from March 2017 to August 2018 for prices ranging from \$615,000 to \$800,000 or from \$180.98 to \$217.39 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted ten unique comparables with appellant comparable #3 and board of review comparable #5 being identical sales. The comparables have varying degrees of similarity when compared to the subject in terms of location, design, age, dwelling size and features. The Board gives minimal weight to the appellant's comparable #2 and board of review comparables #4 and #8 for 2015 or 2018 dates of sale considered beyond an appropriate timeframe for a January 1, 2017 market valuation. The board of review comparables #3, #6 and #7 are also given minimal weight based on finished basement feature. The Board finds the best evidence of market value to be the appellant's comparable #1, the board of review comparables #1 and #2 and parties' common comparable. These four comparables are considered most like the subject in terms of location, dwelling size, age and unfinished basement. These most similar comparables sold for prices ranging from \$540,000 to \$675,000 or from \$174.68 to \$195.43 per square foot of living area, including land. The subject's assessment reflects a market value of \$637,916 or \$188.79 per square foot of living area, including land, which is within the range established by the best

¹ Board of review comparable #5 is the same property as appellant's comparable #3

² The property record cards submitted by the board of review indicates four comparables have finished basement area.

comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
