

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Monica Turek  
DOCKET NO.: 17-03924.001-R-1  
PARCEL NO.: 16-36-205-087

The parties of record before the Property Tax Appeal Board are Monica Turek, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$75,793  
**IMPR.:** \$124,789  
**TOTAL:** \$200,582

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of brick exterior construction with 2,636 square feet of living area. The dwelling was constructed in 1929. Features of the home include a partial unfinished basement, central air conditioning, one fireplace and a 220 square foot attached garage. The property has a 12,000 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on three equity comparables located within .38 of a mile from the subject. The comparables are described as two-story dwellings of brick or wood siding exterior construction ranging in size from 2,876 to 3,142 square feet of living area. The dwellings were built from 1908 to 1924. The comparables each have an unfinished basement, central air conditioning, one or two fireplaces and a garage

ranging in size from 576 to 630 square feet of building area. The comparables have improvement assessments ranging from \$72,291 to \$122,544 or from \$25.14 to \$39.53 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$200,582. The subject property has an improvement assessment of \$124,789 or \$47.34 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on six equity comparables located within .792 of a mile from the subject. The comparables consist of two-story or three-story dwellings of brick, wood siding or stucco exterior construction ranging in size from 2,185 to 3,040 square feet of living area. The dwellings were constructed from 1925 to 1936. The comparables each have a basement with two having finished area. Five comparables have central air conditioning. Each comparable has one to three fireplaces and a garage ranging in size from 252 to 528 square feet of building area. The comparables have improvement assessments ranging from \$103,880 to \$158,094 or from \$46.49 to \$52.00 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The parties submitted nine equity comparables for the Board's consideration. The Board gave less weight to the appellant's comparables due to their older age or larger dwelling size when compared to the subject. The Board also gave less weight to board of review comparables #2, #3 and #5 due to their dissimilar dwelling size and/or superior finished basement area when compared to the subject.

The Board finds the best evidence of assessment equity to be board of review comparables #1, #4 and #6. These three properties are similar to the subject in location, dwelling size, design, age and features. The comparables have improvement assessments ranging from \$118,115 to \$137,291 or from \$46.49 to \$51.00 per square foot of living area. The subject has an improvement assessment of \$124,789 or \$47.34 per square foot of living area which falls within the range established by the best comparables sales in the record. After considering adjustments to the comparables for differences when compared to the subject, the Board finds the subject's improvement assessment is supported. Based on this record, the Board finds the appellant did

not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and no reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
