

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Dawn Villavicencio
DOCKET NO.: 17-04589.001-R-1
PARCEL NO.: 08-08.0-320-013

The parties of record before the Property Tax Appeal Board are Dawn Villavicencio, the appellant, and the St. Clair County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the **St. Clair** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,613
IMPR.: \$17,801
TOTAL: \$22,414

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property consists of a one-story dwelling with aluminum siding exterior construction which contains 1,164 square feet of living area. The dwelling was built in 1952. Features of the home include a crawl-space foundation, central air conditioning and a one-car garage. The property is located in St. Clair County.

The appellant claims overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal with an estimated market value for the subject property of \$47,000 as of August 4, 2014. The evidence further revealed that the appellant filed the appeal directly to the Property Tax Appeal Board following receipt of the notice of a township equalization factor issued by the board of review.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject property's final equalized assessment of \$22,837 was disclosed.¹ After reviewing the appellant's

¹ Based upon the copy of the Notice of Final Decision issued on February 16, 2018 by the St. Clair County Board of Review as supplied by the appellant, it appears that mathematical/typographical errors were made in the "Board of Review – Notes on Appeal" which fail to correctly reiterate the final equalized assessment of the subject as depicted on the Final Decision.

evidence, the board of review indicated that it would not reduce the subject's assessment by the amount of increase caused by the application of the equalization factor.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. Based upon the evidence submitted, the Board finds that a reduction in the subject's assessment is supported. However, the record indicates that the appellant appealed the assessment directly to the Property Tax Appeal Board based on notice of a township equalization factor issued by the board of review. Since the appeal was filed after notification of an equalization factor, the amount of relief that the Property Tax Appeal Board may grant is limited. Section 1910.60(a) of the rules of the Property Tax Appeal Board states in part:

If the taxpayer or owner of property files a petition within 30 days after the postmark date of the written notice of the application of final, adopted township equalization factors, the relief the Property Tax Appeal Board may grant is limited to the amount of the increase caused by the application of the township equalization factor. 86 Ill.Admin.Code §1910.60(a).

Additionally, section 16-180 of the Property Tax Code (35 ILCS 200/16-180) provides in pertinent part:

Where no complaint has been made to the board of review of the county where the property is located and the appeal is based solely on the effect of an equalization factor assigned to all property or to a class of property by the board of review, the Property Tax Appeal Board may not grant a reduction in the assessment greater than the amount that was added as the result of the equalization factor.

These provisions mean that where a taxpayer files an appeal directly to the Property Tax Appeal Board after notice of application of an equalization factor, the Board cannot grant an assessment reduction greater than the amount of increase caused by the equalization factor. Villa Retirement Apartments, Inc. v. Property Tax Appeal Board, 302 Ill.App.3d 745, 753 (4th Dist. 1999). Based on a review of the evidence contained in the record, the Property Tax Appeal Board finds a reduction in the assessment of the subject property is supported. However, the reduction is limited to the increase in the assessment caused by the application of the equalization factor.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
