

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Patricia Martoccio
DOCKET NO.: 17-05635.001-R-1
PARCEL NO.: 09-14-206-001

The parties of record before the Property Tax Appeal Board are Patricia Martoccio, the appellant, by attorney Jerrold H. Mayster, of Mayster & Chaimson, Ltd in Chicago; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$152,120
IMPR.: \$152,240
TOTAL: \$304,360

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of frame exterior construction with 3,774 square feet of living area. The dwelling was originally constructed in 1956 and had additions built in 1967 and 1971. Features of the home include central air conditioning, two fireplaces and a 480 square foot garage. The property has a 20,700 square foot site and is located in Hinsdale, Downers Grove Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal report estimating the subject property had a market value of \$695,000 as of January 1, 2017. The appraisal was prepared by Gary Nusinow, a Certified General Real Estate Appraiser. In estimating the market value of the subject property, the appraiser developed the sales comparison approach to value using five comparable sales with varying degrees of similarity to the subject in location, design, dwelling size, age and features.

The comparables sold from July 2015 to February 2016 for prices ranging from \$390,000 to \$795,000 or from \$187.21 to \$263.46 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$304,360. The subject's assessment reflects a market value of \$913,171 or \$243.90 per square foot of living area, land included, when using the 2017 three year average median level of assessment for DuPage County of 33.33% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review argued the subject property received a reduction for the 2015 tax year from the Property Tax Appeal Board and that reduction is still in effect.¹ The board of review also critiqued the appellant's appraisal. In further support of the subject's assessment, the board of review submitted information on three comparable sales with varying degrees of similarities to the subject in location, design, dwelling size, age and features. The comparables sold in November 2015 or April 2017 for prices ranging from \$700,000 to \$760,000 or from \$231.00 to \$295.00 per square foot of living area, including land, rounded. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The Property Tax Appeal Board finds the subject property was the matter of an appeal before the Board for the 2015 tax year under Docket Number 15-05373.001-R-1. In that appeal, the Property Tax Appeal Board rendered a decision reducing the subject's assessment to \$273,280 based on an agreement by the parties. The Property Tax Appeal Board takes notice that DuPage County's quadrennial general assessment period began in the 2015 tax year and continues through the 2018 tax year. The Board further finds section 16-185 of the Property Tax Code is controlling in this appeal. (35 ILCS 200/16-185).

Section 16-185 of the Property Tax Code provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review. (35 ILCS 200/16-185)

The Board finds this record disclosed the subject property is an owner-occupied residence and the 2015 through 2018 tax years are within the same general assessment period. The Board finds

¹ The Board finds the board of review submitted the subject's property record card which disclosed equalization factors of 1.0478 and 1.0629 were applied in tax years 2016 and 2017.

the record shows equalization factors of 1.0478 and 1.0629 for tax years 2016 and 2017 were applied in Downers Grove Township. The record contains no evidence showing the Board's 2015 decision was reversed or modified upon review and there was no evidence that the subject property sold in an arm's-length transaction establishing a different fair cash value. Applying section 16-185 of the Property Tax Code (35 ILCS 200/16-185) to the Board's prior 2015 decision results in an assessment of \$304,360 ($\$273,280 \times 1.0478 \times 1.0629 = \$304,360$). Therefore, the Board finds the subject's current assessment of \$304,360 is correct and complies with the statutory mandate provided by section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). Based on this analysis, the Property Tax Appeal Board finds that no reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
