

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Susan White
DOCKET NO.: 17-06036.001-R-1
PARCEL NO.: 22-05.0-179-002

The parties of record before the Property Tax Appeal Board are Susan White, the appellant; and the Sangamon County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Sangamon** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$18,970
IMPR.: \$168,876
TOTAL: \$187,846

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property consists of a two-story frame and brick dwelling containing 4,520 square feet of living area. Features include a partial basement with finished area, central air-conditioning, two fireplaces and a two-car garage. The property is located in Leland Grove, Woodside Township, Sangamon County.

The appellant claims overvaluation and assessment inequity as the bases of the appeal. In support of these arguments the appellant submitted information on four comparables which included sales information and assessment data along with property characteristic sheets for each comparable. The evidence further revealed that the appellant filed the appeal directly to the Property Tax Appeal Board following receipt of the notice of a township equalization factor issued by the board of review.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject property's final assessment of \$192,824 was disclosed after application of an equalization factor of 1.0265. The board of review submitted no evidence in support of its assessment other than the "Notes on Appeal."

JURISDICTION

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The board of review did not timely submit any evidence in support of its assessment of the subject property or to refute the appellant's argument as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board.

CONCLUSION OF LAW

Based upon the evidence submitted, the Board finds that a reduction in the subject's assessment is supported. However, the record indicates that the appellant appealed the assessment directly to the Property Tax Appeal Board based on notice of a township equalization factor issued by the board of review. Since the appeal was filed after notification of an equalization factor, the amount of relief that the Property Tax Appeal Board may grant is limited. Section 1910.60(a) of the Official Rules of the Property Tax Appeal Board states in part:

If the taxpayer or owner of property files a petition within 30 days after the postmark date of the written notice of the application of final, adopted township equalization factors, the relief the Property Tax Appeal Board may grant is limited to the amount of the increase caused by the application of the township equalization factor. 86 Ill.Admin.Code §1910.60(a).

Additionally, section 16-180 of the Property Tax Code (35 ILCS 200/16-180) provides in pertinent part:

Where no complaint has been made to the board of review of the county where the property is located and the appeal is based solely on the effect of an equalization factor assigned to all property or to a class of property by the board of review, the Property Tax Appeal Board may not grant a reduction in the assessment greater than the amount that was added as the result of the equalization factor.

These provisions mean that where a taxpayer files an appeal directly to the Property Tax Appeal Board after notice of application of an equalization factor, the Board cannot grant an assessment reduction greater than the amount of increase caused by the equalization factor. Villa Retirement Apartments, Inc. v. Property Tax Appeal Board, 302 Ill.App.3d 745, 753 (4th Dist. 1999). Based on a review of the evidence contained in the record, the Property Tax Appeal Board finds a reduction in the assessment of the subject property is supported. However, the reduction is limited to the increase in the assessment caused by the application of the equalization factor.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
