

FINAL ADMINISTRATIVE DECISION ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT:	Bruce Sartain
DOCKET NO.:	17-06038.001-R-1
PARCEL NO .:	29-08.0-351-006

The parties of record before the Property Tax Appeal Board are Bruce Sartain, the appellant; and the Sangamon County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds <u>*a reduction*</u> in the assessment of the property as established by the **Sangamon** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	\$27,521
IMPR.:	\$106,587
TOTAL:	\$134,108

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Sangamon County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a one-story ranch-style dwelling of brick and vinyl exterior construction with 2,792 square feet of living area. The home was built in 2005. Features of dwelling include a walkout basement with finished area, central air-conditioning, a fireplace, and a 3-car garage. The subject is located in Chatham, Chatham Township, Sangamon County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal estimating the subject property had a market value of \$370,000 as of April 27, 2018 using the sales comparison approach to value and utilizing three comparable properties with sales data.

Based on this evidence, the appellant requested the subject's total assessment be reduced to \$123,333, to reflect the appraised value.

The appellant also submitted a copy of Sangamon County assessment notice disclosing the board of review increased the subject's assessment from \$134,108 to \$135,596 through the application of a township equalization factor of 1.0111.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total equalized assessment for the subject of \$135,596. The subject's assessment reflects a market value of \$406,829 or \$145.71 per square foot of living area, land included, when using the 2017 three-year average median level of assessment for Sangamon County of 33.33% as determined by the Illinois Department of Revenue.

The board of review indicated on its "Board of Review Notes on Appeal" that the appellant did not file a complaint before the board of review. The board of review offered to stipulate to the removal of the equalization factor and to reduce the subject's assessment to \$134,108 based on the appellant's appraisal report. The board of review submitted no additional evidence in support of the assessment.

In rebuttal, the appellant reiterated his request to reduce the subject's assessment to reflect the appraised value.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value to be appellant's appraisal estimating the subject property had a market value of \$370,000 as of April 27, 2018. The subject's assessment reflects a market value of \$406,829 or \$145.71 per square foot of living area, land included, which is above the appraised value.

The record further disclosed that the appellant filed the appeal directly to the Property Tax Appeal Board after the application of a township equalization factor by the board of review. The assessment notice disclosed the assessment on the property was increased by the application of a township equalization factor of 1.0111.

Due to the fact the appeal was filed after notification of an equalization factor, the amount of relief that the Property Tax Appeal Board may grant is limited. Section 1910.60(a) of the rules of the Property Tax Appeal Board states in part:

If the taxpayer or owner of property files a petition within 30 days after the postmark date of the written notice of the application of final, adopted township

equalization factors, the relief the Property Tax Appeal Board may grant is limited to the amount of the increase caused by the application of the township equalization factor. 86 Ill.Admin.Code §1910.60(a).

Additionally, section 16-180 of the Property Tax Code (35 ILCS 200/16-180) provides in pertinent part:

Where no complaint has been made to the board of review of the county where the property is located and the appeal is based solely on the effect of an equalization factor assigned to all property or to a class of property by the board of review, the Property Tax Appeal Board may not grant a reduction in the assessment greater than the amount that was added as the result of the equalization factor. [Emphasis added].

These provisions mean that where a taxpayer files an appeal directly to the Property Tax Appeal Board after notice of the application of an equalization factor, the Board cannot grant an assessment reduction greater than the amount of increase caused by the equalization factor. <u>Villa Retirement Apartments, Inc. v. Property Tax Appeal Board</u>, 302 Ill.App.3d 745, 753 (4th Dist. 1999). Based on a review of the evidence contained in the record, the Property Tax Appeal Board finds a reduction in the assessment of the subject property is supported; however, the reduction is limited to the increase in the assessment caused by the application of the township equalization factor. This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
