

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Dan Parrish  
DOCKET NO.: 17-06746.001-R-1  
PARCEL NO.: 15-19-176-018

The parties of record before the Property Tax Appeal Board are Dan Parrish, the appellant, by attorney Webb H. Smith, of Gilbert, Huffman, Prosser, Hewson & Barke, in Carbondale; and the Jackson County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Jackson** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 7,555  
**IMPR.:** \$27,801  
**TOTAL:** \$35,356

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling of wood siding exterior construction that was built in 1979. The dwelling has 1,560 square feet of living area and is situated on a 13,900 square foot site. Features include central air conditioning, a fireplace, and a garage. The subject property is located in Carbondale Township, Jackson County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted three comparable sales with varying degrees of similarity when compared to the subject. The comparables sold from May 2016 to September 2016 for prices ranging from \$105,000 to \$125,000 or from \$21.69 to \$63.05 per square foot of living area including land.

The appellant disclosed the subject has a final assessment for the 2017 tax year of \$35,356. The subject's assessment reflects an estimated market value of \$104,387 or \$66.91 per square foot of

living area including land when applying the three-year average median level of assessment for Jackson County of 33.87%. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review did not timely submit its "Board of Review Notes on Appeal" or any evidence in support of its assessment of the subject property as required by section 1910.40(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40(a). Therefore, the board of review was found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.69(a).

### **Conclusion of Law**

The taxpayer argued the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The appellant submitted three comparable sales. The board of review did not submit any evidence in support of the correct assessment of the subject property or to refute the value evidence submitted by the appellant. 86 Ill.Admin.Code §1910.40(a). Therefore, the board of review was found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.69(a).

The Board gave no weight to comparable #2 submitted by the appellant as this property is dissimilar to the subject due to its larger dwelling size and newer age. Comparables #1 and #3 are more similar to the subject in design, dwelling size and features, although comparable #3 is 18 years older in age when compared to the subject. Comparables #1 and #3 sold for prices of \$105,000 and \$114,000 or \$52.92 and \$63.05 per square foot of living area including land. The subject's assessment reflects an estimated market value of \$104,387 or \$66.91 per square foot of living area including land, which is less than the most similar comparables on an overall basis but slightly greater than the best comparables on a per square foot basis. After considering adjustments to the most similar comparables for differences when compared to the subject, the Board finds the subject's assessment is supported.

In summary, the Board finds the appellant failed to establish that the subject property was overvalued by a preponderance of the evidence. Therefore, no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
