

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Cheryl Vu
DOCKET NO.: 17-20276.001-R-1
PARCEL NO.: 02-29-307-010-0000

The parties of record before the Property Tax Appeal Board are Cheryl Vu, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,732
IMPR.: \$49,890
TOTAL: \$51,622

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame construction with 3,642 square feet of living area. The dwelling is approximately one year old. Features of the home include a full basement, central air conditioning, and a two-car garage. The property has a 9,899 square foot site and is located in Palatine Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on March 28, 2017 for a price of \$670,000. In further support of the subject's market value, the appellant submitted an appraisal that states the subject's market value was \$670,000 on March 1, 2017. The appellant also submitted a certificate of occupancy permit dated March 27, 2017. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$51,622.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$67,000. The subject's assessment reflects a market value of \$67,000, land included, when using the 2017 level of assessments for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment the board of review submitted information on four comparable sales.

In written rebuttal, the appellant submitted additional comparable properties. The Board notes these additional comparable properties were given no weight pursuant to Section 1910.66 (c) of the Official Rules of the Property Tax Appeal Board, which states: Rebuttal evidence shall not consist of new evidence such as an appraisal or newly discovered comparable properties. A party to the appeal shall be precluded from submitting its own case in chief in the guise of rebuttal evidence. (86 Ill. Adm. Code 1910.66(c)).

At hearing, the appellant confirmed the recent sale of the subject and stated the subject is a newly constructed house that was not occupied until an occupancy permit was issued on March 27, 2017. The board of review's representative stood on the previously submitted evidence.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property on March 28, 2017 for a price of \$670,000 and that the subject improvement is entitled to an occupancy factor based on the March 27, 2017 certificate of occupancy. Since market value has been determined the 2017 level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10% shall apply. 86 Ill. Admin. Code §1910.50(c)(2).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
