

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: David & Mary Leitschuh
DOCKET NO.: 17-20716.001-R-1
PARCEL NO.: 05-35-410-013-0000

The parties of record before the Property Tax Appeal Board are David & Mary Leitschuh, the appellants, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$17,850
IMPR.: \$42,943
TOTAL: \$60,793

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of frame and masonry exterior construction with 1,851 square feet of living area. The dwelling is approximately 59 years old. Features of the home include a partial basement with finished area, central air conditioning, one fireplace and a 2-car garage. The property has an 11,900 square foot site and is located in Evanston, Evanston Township, Cook County. The subject is classified as a class 2-04 property under the Cook County Real Property Assessment Classification Ordinance.

The appellants contend assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellants submitted information on three equity comparables located in the same neighborhood code as the subject property. The comparables are improved with 1.5-story dwellings of masonry or frame and masonry exterior construction ranging in size from 3,246 to 3,574 square feet of living area. The comparables range in age

from 93 to 123 years old. Each comparable has a full unfinished basement and a 2-car or a 2.5-car garage. Two comparables have one or two fireplaces. The comparables have improvement assessments ranging from \$53,058 to \$55,416 or from \$15.24 to \$16.35 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced to \$29,468 or \$15.92 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$60,793. The subject property has an improvement assessment of \$42,943 or \$23.20 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located within the same neighborhood code as the subject property. Each comparable is in the same block and/or within .25 of a mile of the subject. The comparables are improved with 1-story or 1.5-story dwellings of masonry or frame and masonry exterior construction ranging in size from 1,928 to 2,276 square feet of living area. The comparables range in age from 59 to 96 years old. Three comparables have a partial or a full basement with two having finished area; one comparable has a crawl space foundation. Three comparables have central air conditioning. Each comparable has one fireplace and a 2-car garage. The comparables have improvement assessments ranging from \$46,850 to \$58,794 or from \$23.33 to \$27.03 per square foot of living area. Based on this evidence, the board of review requested the assessment be confirmed.

Conclusion of Law

The taxpayers contend assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven suggested comparables for the Board's consideration. The Board gave more weight to the board of review's comparables #1 and #3 as they are most similar to the subject property in location, design, age, dwelling size and most features. The best comparables have improvement assessments of \$46,850 and \$55,068 or \$24.30 and \$25.28 per square foot of living area, respectively. The subject's improvement assessment of \$42,943 or \$23.20 per square foot of living area falls below the assessments of the best comparables in this record and is therefore supported. The Board gave less weight to the appellant's comparables due to their significantly larger dwelling sizes, older ages and/or 1.5-story height in contrast to the subject. The Board gave less weight to the board of review's comparables #2 and #4 due to their older age or inferior crawl space foundation when compared to the subject. Based on this record, the Board finds the appellants did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
