

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Steve Norton
DOCKET NO.: 17-20793.001-R-1 through 17-20793.002-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Steve Norton, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
17-20793.001-R-1	05-35-313-016-0000	6,500	25,349	\$31,849
17-20793.002-R-1	05-35-313-051-0000	3,250	25,349	\$28,599

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of two parcels containing a two-story dwelling of frame and masonry exterior construction with 2,473 square feet of living area. The dwelling is approximately 91 years old. Features of the home include a full unfinished basement, one fireplace and a 2-car garage. The property has a 2,600¹ square foot site and is located in Evanston, Evanston Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

¹ The appellant's assessment grid analysis indicates a 2,600 square foot site for both parcels while the board of review's assessment grid analysis indicates 5,200 for one parcel listed. On this record, the Property Tax Appeal Board cannot determine the site's total square footage but finds the discrepancy does not prevent a determination of the correct assessment.

The appellant contends improvement assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on three equity comparables located in the same neighborhood code as the subject property. The comparables are improved with similar class 2-06 dwellings of masonry or frame and masonry exterior construction ranging in size from 3,621 to 4,245 square feet of living area. The comparables range in age from 93 to 105 years old. Each comparable has a basement with one having finished area. Two comparables have central air conditioning. Each comparable has one or two fireplaces and a 2-car garage. The comparables have improvement assessments ranging from \$68,701 to \$80,301 or from \$18.92 to \$18.97 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced to \$46,863 or \$18.95 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$31,849 which was for PIN# 05-35-313-016-0000. The total assessment of \$60,448 with an improvement assessment of \$50,698 or \$20.50 per square foot was provided by the appellant. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located within the same neighborhood code as the subject property. The comparables are improved with two-story dwellings of frame, masonry, stucco or frame and masonry exterior construction ranging in size from 2,365 to 2,814 square feet of living area. The comparables range in age from 91 to 110 years old. Each comparable has an unfinished basement, one or two fireplaces and a 1-car to a 2.5-car garage. One comparable has central air conditioning. The comparables have improvement assessments ranging from \$54,768 to \$69,038 or from \$22.04 to \$25.88 per square foot of living area. Based on this evidence, the board of review requested the assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven suggested comparables for the Board's consideration. The Board gave more weight to the board of review's comparables as they are most similar to the subject property in location, design, age, dwelling size and features. These comparables have improvement assessments of \$54,768 to \$69,038 or from \$22.04 to \$25.88 per square foot of living area. The subject's improvement assessment of \$50,698 or \$20.50 per square foot of living area falls below the range established by the best comparables in this record. The Board gave less weight to the appellant's comparables due to their significantly larger dwelling sizes when compared to the subject. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
