

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Shila Patel
DOCKET NO.: 17-20794.001-R-1
PARCEL NO.: 02-30-216-012-0000

The parties of record before the Property Tax Appeal Board are Shila Patel, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$8,772
IMPR.: \$20,498
TOTAL: \$29,270

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame exterior construction with 1,872 square feet of living area. The dwelling is approximately 44 years old. Features of the home include a partial basement with finished area, central air conditioning, one fireplace and a 2-car garage. The property has a 15,257 square foot site and is located in Hoffman Estates, Palatine Chicago Township, Cook County. The subject is classified as a class 2-07 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends improvement assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on three equity comparables that are located within the same neighborhood code as the subject. The comparables are improved with similar class 2-07 dwellings of frame or frame and masonry exterior construction containing either 1,449 or 1,909 square feet of living area. The comparables are either 32 or 46 years old.

One comparable has a full unfinished basement and two comparables have crawl space foundations. Two comparables have central air conditioning. Two comparables each have one fireplace. Each comparable has a 2-car garage. The comparables have improvement assessments ranging from \$11,808 to \$17,708 or \$8.15 and \$9.28 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced to \$16,661 or \$8.90 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$29,270. The subject property has an improvement assessment of \$20,498 or \$10.95 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located within the same neighborhood code as the subject property. The comparables are improved with two-story dwellings of frame exterior construction containing either 1,797 or 1,909 square feet of living area. The comparables are each 45 years old. One comparable has a partial basement with finished area. and three comparables have crawl space foundations. Two comparables have central air conditioning. Two comparables each have one fireplace. Each comparable has a 2-car to a 2.5-car garage. The comparables have improvement assessments ranging from \$21,954 to \$25,302 or from \$11.50 to \$13.25 per square foot of living area. Based on this evidence, the board of review requested the assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven suggested comparables for the Board's consideration. The Board gave more weight to the appellant's comparables #2 and #3, as well as the board of review's comparables as they are most similar to the subject property in location, design, age, dwelling size, and features, except five of the best comparables have inferior crawl space foundations and would require upward adjustments for foundation. These comparables have improvement assessments ranging from \$17,707 to \$25,302 or from \$9.28 to \$13.25 per square foot of living area. The subject's improvement assessment of \$20,498 or \$10.95 per square foot of living area falls within the range established by the best comparables in this record. The Board gave less weight to the appellant's comparable #1 due to its smaller dwelling size when compared to the subject. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
