

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Craig Roberts
DOCKET NO.: 17-20940.001-R-1
PARCEL NO.: 15-12-209-019-0000

The parties of record before the Property Tax Appeal Board are Craig Roberts, the appellant, by attorney Michael R. Davies, of Ryan Law LLP in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$6,210
IMPR.: \$37,050
TOTAL: \$43,260

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of stucco construction with 1,584 square feet of living area. The dwelling is approximately 95 years old. Features of the home include a full basement, central air conditioning, one fireplace and a 2-car garage. The property has a 6,059 square foot site and is located in River Forest, River Forest Township, Cook County. The subject is classified as a class 2-05 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on five equity comparables located in the same neighborhood code as the subject property. The comparables are improved with two-story dwellings of frame, stucco or frame and masonry exterior construction ranging in size from 1,604 to 1,920 square feet of living area. The comparables

range in age from 93 to 114 years old. Each comparable has a basement and air conditioning, four comparables each have a fireplace, and four comparables have a 1-car or a 2-car garage. The comparables have improvement assessments ranging from \$4,027 to \$42,863 or from \$2.51 to \$22.32 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced to \$3,976 or \$2.51 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$43,260. The subject property has an improvement assessment of \$37,050 or \$23.39 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located within the same neighborhood code as the subject property. The comparables are improved with two-story dwellings of stucco exterior construction ranging in size from 1,445 to 1,792 square feet of living area. The comparables range in age from 98 to 105 years old. Each comparable has a full basement and a 1.5-car or a 2-car garage, one comparable has central air conditioning, and two comparables each have one fireplace. The comparables have improvement assessments ranging from \$37,460 to \$43,418 or from \$24.23 to \$27.28 per square foot of living area. Based on this evidence, the board of review requested the assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine suggested comparables for the Board's consideration. The Board gave less weight to the appellant's comparable #1 as it appears to be an outlier with an improvement assessment significantly lower than the subject and other comparables in this record without an explanation provided. The Board also gave less weight to the appellant's comparables #2, #3 and #5 due to their larger dwelling sizes and/or lack of a garage.

The Board finds the best evidence of assessment equity is the appellant's comparable #4 and the board of review's comparables as they are similar to the subject in location, design, age, dwelling size and features. These comparables have improvement assessments ranging from \$35,669 to \$43,418 or from \$21.34 to \$27.28 per square foot of living area. The subject's improvement assessment of \$37,050 or \$23.39 per square foot of living area falls within the range established by the best comparables in this record. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

The constitutional provision for uniformity of taxation and valuation does not require mathematical equality. A practical uniformity, rather than an absolute one, is the test. *Apex Motor Fuel Co. v. Barrett*, 20 Ill.2d 395 (1960). Although the comparables presented by the

parties disclosed that the properties located in the same area are not assessed at identical levels, all that the constitution requires is a practical uniformity, which appears to exist on the basis of the evidence.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
