

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: William Cusick
DOCKET NO.: 17-20971.001-R-1
PARCEL NO.: 16-18-413-058-0000

The parties of record before the Property Tax Appeal Board are William Cusick, the appellant, by attorney Michael R. Davies, of Ryan Law LLP in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,101
IMPR.: \$30,865
TOTAL: \$35,966

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame exterior construction with 1,562 square feet of living area. The dwelling is 126 years old. Features of the home includes a full unfinished basement, and a two-car garage. The property has a 5,370 square foot site and is located in Oak Park, Oak Park Township, Cook County. The subject is classified as a class 2-05 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on five equity comparables that are located within the same neighborhood code as the subject property. The comparables are improved with two-story dwellings of frame exterior construction ranging in size from 1,617 to 1,948 square feet of living area. The dwellings range in age from 98 to 115 years old, and each comparable has a partial or full basement with one having finished area.

Two comparables have central air conditioning, one comparable has a fireplace, and one comparable has a two-car garage. The comparables have improvement assessments ranging from \$21,128 to \$35,477 or from \$11.14 to \$18.37 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced to \$17,401 or \$11.14 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$35,966. The subject property has an improvement assessment of \$30,865 or \$19.76 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables that are located within the same neighborhood code as the subject property. Three of the comparables are also located within the subject's same block. The comparables are improved with two-story dwellings of frame exterior construction ranging in size from 1,176 to 1,512 square feet of living area. The dwellings range in age from 95 to 114 years old. Each comparable has a full basement with three having finished area and a garage ranging from a one-car to a three-car. The comparables have improvement assessments ranging from \$24,559 to \$35,084 or from \$20.88 to \$23.91 per square foot of living area. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin. Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine suggested comparables for the Board's consideration. The Board recognizes all of the comparables have dwellings that are newer in age ranging from 95 to 115 years old when compared to the 126-year-old age of the subject dwelling. The Board gives less weight to the appellant's comparables #1, #2, #4 and #5 as well as the board of review comparables #1 and #3 due to their considerably dissimilar dwelling sizes and/or lack of a garage when compared to the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparable #3 along with the board of review comparables #2 and #4 which are closer in dwelling size to the subject dwelling. The Board finds these three comparables are most similar to the subject in design, exterior construction, dwelling size, foundation and other features. These three comparables have improvement assessments ranging from \$30,091 to \$35,084 or from \$18.03 to \$23.71 per square foot of living area. The subject's improvement assessment of \$30,865 or \$19.76 per square foot of living area falls within the range established by the most similar comparables contained in this record. After considering adjustments to the comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with

clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
